Prince of Peace

Grandpa studied Torah from the time he was a boy
And until the day he passed away it was just his highest joy
And sometimes I think about what Grandpa would have said
Had he heard how I interpreted these words I'm sure he read

Chorus:
Unto us a child is born, unto us a Son is given
And the increase of His peace shall have no end
And His name is Wonderful, Counselor, Almighty G-d
Everlasting Father, Prince of Peace
Everlasting Father, Prince of Peace

As a young man I would meet some people who would claim
The Prince of Peace already came, Y'shua was His name
But that is not what I'd been taught, I thought "How could that be?"
'Til one day by grace He found a place for His peace to reign in me

(Chorus)
