(Verse 1)
All my life, I have wondered
Wondered where I might belong
Feeling lost, like a stranger
Wandering far all on my own

(Verse 2)
Without a home. Without a people
Without a hope, without a prayer
Without a way, that I could follow
Then I turned, and you were there

(Chorus)
Where you go, I will go
Where you stay, I will stay forever
Where you lead, I will follow
So I can know the one you know

(Verse 3)
Under his wings, you found a shelter
You have no fear, you have no shame
And when you call, he seems to answer
He even seems to know your name

(Chorus)

(Bridge)
Then somehow should I find his favor
I won't look back on all I've known
Your people then will be my people
And Your God my God alone

(Chorus)

Where you go, I will go

And you know I will never leave you
Not even death, will ever part us
Now that I know the one you know
I will go now, where you go
