Sanctuary

Lately I wonder as time hurries on
What have I done with the days come and gone?
And I remember how once I was drawn
Into Your sanctuary

When did I wander so far away?
How did I get here? Why did I stray?
And can I ever find my way
Back to Your sanctuary?

Nothing have I on earth but You
No one but You in heaven
So why do I continue to do everything else
But come to You?

All of my folly I fin'lly see
I've nowhere to hide, I've no place to flee
If I ran to you, would you run to me
Out from Your sanctuary?

Nothing have I on earth but You
No one but You in heaven
So why would I continue to do anything else
But come to You?

I will remember what You did for me
Climbing that hill to die on that tree
There I will go and bend my knee
There I'll find sanctuary
Oh I'll give You thanks
For Your sanctuary
