Verse: Standing at my station
Camped upon the battleground
Though I can't see my enemy
I know that he is all around
So many voices speakin'
Tellin' me I'm wrong, could they be right?
I have the choice to weaken
Or to stand up strong and fight
But the only defense that I can raise
Is liftin' up an anthem of Your praise

Chorus: O L-rd, Your loving kindness is everlasting
That's why I sing
O L-rd Your loving kindness endures forever
And You are able to deliver me
Deliver me!

Verse: L-rd in my confusion all my strength is givin' in
My adversary's everywhere
It seems that there's no way to win
Then, I hear Your voice all through me
Tellin' me this battles Yours, not mine
I have no choice left to me, but to yield to Your design
As You take it from my hands what can I do
But lift them up in sacrifice to You?

(Chorus)

Bridge: And now the hope of Your salvation
Is burnin' in me like a flame
I come before You now rejoicing
And with this song of deliverance proclaim

Chorus: O L-rd, Your loving kindness is everlasting
And so I'll sing
My L-rd Your loving kindness endures forever
And You are able to deliver me
Forever able to deliver me!
