O, L-rd of hosts, hear our prayer
Our souls long & faint for Your courts
Oh to appear before You in Zion
From strength to strength we're passin' through
And blessed is the one whose strength is You

Chorus:
You, L-rd G-d , are a sun & shield
You give grace and glory
No good thing will You withhold
From those who walk uprightly
No good thing will you withhold
From those who walk with You

O L-rd You've shown such tender care
And so our hearts cry out for you more
Incline your ear O, G-d of Jacob
Your every word has proven true
And blessed is the one whose truth is You

(Chorus)

Behold us in this place O, G-d
And gaze upon the face of Your anointed
Who dwell in Your house
Glad are all who dwell in Your house
They shall be ever praising You
We're praising You!

(Chorus)
