Tremble to know His will
Meditate in your heart upon your bed
And be still,
And be still

Chorus:
Offer the sacrifices of righteousness
And trust in the Lord
Trust in the Lord
Trust in the Lord

Oh, oh, oh, oh, oh……..

In peace I will lie down and sleep
For You, Lord keep me in safety

Humble you know He is
Meditate in your heart upon His love
And be His
You'll be His

Chorus:
Offer the sacrifices of righteousness
And make Him your Lord
Call him your Lord
He is your Lord

Oh, oh, oh, oh, oh……..

So, trust in the Lord
