2009 Grand Marshals

John and Marlene Deery

John and Marlene Deery are being honored as the Grand Marshals of the 2009 Sturgis Falls Celebration Parade.

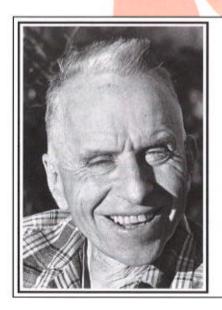

John's career began in 1951 when he opened a used car business in Rockford, IL. The opportunity to buy the Carl Behrens dealership brought them to Cedar Falls almost 40 years ago. They soon fell in love with Cedar Falls. John and Marlene stayed because they believed it is "a great place to live and raise a family". Their sons, John Jr. and Dan have carried on the family business which has since grown to eight auto dealerships, four in the Cedar Valley and all in Iowa.

In 2000, John received the Dealer of the Year Award from the National Auto Dealers Association, sponsored by Time Magazine. He was also recognized as Entrepreneur of the Year by Junior Achievement of Eastern Iowa. John co-chaired the formation of the Cedar Valley Soccer Complex and was one of the founding directors of Community National Bank.

Marlene devotes her time and talents to family, community organizations and local events. She is a charter member of the Saint Patrick Catholic Daughters of America, a member of the Cedar Falls Woman's Club, and PEO Chapter OV. Marlene is also a Board Member of the Friends of Visiting Nurses Association and a volunteer for the Sartori Memorial Hospital Auxiliary.

John and Marlene are active members of Saint Patrick Catholic Church, the UNI Foundation, UNI President's Club, and Panther Scholarship Club.

They thoroughly enjoy Sturgis Falls weekend: the Talent Competition on Friday evening, the Parade and Marine Band on Saturday and the Dixieland and Jazz Bands throughout the weekend.

2009 Host and Hostess

Bob and Linda Kramer

Bob and Linda Kramer have been named the Host and Hostess for the 2009 Sturgis Falls Celebration. Both have been familiar faces to Cedar Falls residents for decades. Bob retired this past fall after serving 34 years with the Cedar Falls Police Department, and Linda retired earlier this year from the Cedar Falls Recreation Center after 15 years of service to the city.

Bob was born in Waterloo, Linda in Cedar Falls, making them life-long residents of the Cedar Valley. After their marriage in 1976 (the same year as the first Sturgis Falls

event), they lived, worked and raised their sons, Michael and Daniel, in Cedar Falls. The boys were active in many recreational activities, including swimming, t-ball, baseball, and basketball.

Bob and Linda believe in giving back to the community they love. As a representative of the Police Department, Bob took every available opportunity to speak to groups of all ages on topics such as crime prevention, alcohol and tobacco awareness and enforcement, and the prevention of internet crimes against our children. Linda volunteered with Cub Scouts in a variety of ways. Both were actively involved in activities at Nazareth Lutheran Church.

Their special memories of Sturgis Falls activities include picking out a favorite parade viewing spot (usually by 8:00 a.m.), the Big Wheel races (when the boys were young), finding Bob at his assigned work location, and eating their favorite foods.

Family vacations led them to find their retirement home in central Florida. Bob and Linda will never forget their Cedar Falls roots and are especially excited to share their love for Cedar Falls and the Sturgis Falls Celebration. They are thrilled to share their enthusiasm this year with their new Florida neighbors, two of which will accompany the Kramer's for this year's Sturgis Falls festivities.

2009 Cover Artist Christy Pospisil

The artwork of Christy Pospisil has been selected to illustrate the 2009 Sturgis Falls Celebration theme, "Dancing in the Streets". Her inspiration for the theme centered on her vision that people of every type and culture will come together to celebrate.

Christy, a Cedar Falls High School graduate, is working to complete her BA at the University of Northern Iowa with a double major in Graphic Design and Graphic Communications.

As a lifelong resident of Cedar Falls, Christy's earliest memories of Sturgis Falls include watching the parade, attending Street Fair, and listening to the bands play at the Overman Park Band Shell.

When she is not studying or working, Christy can be found creating freelance graphics, kayaking, biking, and enjoying the outdoors with family and friends.

Dixie Smith Dixie's School of Dance & Tumbling Sturgis Falls Celebration is proud to honor Dixie Smith and Dixie's School of

The Sturgis Falls Celebration is proud to honor Dixie Smith and Dixie's School of Dance & Tumbling as the recipient of the 2009 Cornerstone Award for contributing to the quality of life in the Cedar Valley.

As a result of Dixie's passion for teaching, she established Dixie's School of Dance & Tumbling. In the past 58 years, generations of Cedar Valley children have learned life lessons in physical and mental preparedness, responsibility, dedication, and

teamwork. And, although the goal of Dixie's School of Dance & Tumbling is quality instruction and individual attention, she would like her students to come away with memorable experiences and basic skills that will help them become successful adults.

As a girl, Dixie was interested in dance and tumbling and began taking classes. Soon, Dixie became a student of Jeanne Millette, who helped develop her love for the sport. Dixie volunteered as a Millette assistant for four years until she left for Chicago National Association of Dance Masters, where she received both her Bachelor and Master degrees in Dance. Later, when Jeanne Millette moved to California, Dixie took over the studio and began Dixie's School of Dance.

Separating Dixie's School of Dance & Tumbling from the woman herself is nearly impossible. She continues to manage her school and teach. In her free time, Dixie loves to spend time with her 14 grandchildren and 7 great-grandchildren. Attending the Sturgis Falls Celebration is an annual event for her. Dixie loves the Craft Show and in years past, her school has participated in the Parade.

2009 Representative Citizen Jim Krieg

Jim Krieg was born in northwest Iowa, the 4th of five boys, to Phil and Celesta Krieg. He learned hard work and the value of relationships with family and neighbors on a farm near Kingsley. Jim credits his parents and grandparents for instilling in him a sense of responsibility to the community.

Jim has served the City of Cedar Falls and been involved in the Cedar Valley community in many ways throughout the past 31 years. During his appointment

as Director of Developmental Services for Cedar Falls, he was in charge of the engineering, planning, building, and community development activities. Areas of development included the highways, trails, and prairie lakes, as well as a long-range development plan for the Industrial Park. He serves on the United Way Board of Directors and as Leadership Contributor, is a member of the Cedar Falls Historical Society Board and Past President, and has been a Rotary Club member for 28 years. He is also on the Sartori Hospital Community Advisory Board, the First National Bank Board Member and is Vice-President of the Iowa Association Municipal Utilities which represents 550 municipal utilities throughout the state.

In Cedar Falls, Jim has found a community that resonates with the values of his youth. This was never more evident than in 2008, when he saw our citizens reaching out to our Cedar Valley and Parkersburg neighbors to help them recover from the devastation of an F5 tornado and a 500 year flood. He feels fortunate to live in a community where the spirit of service and strong relationships with others exists in such a vital way.

Have your celebration at the Old Victorian Home of the

Cedar Falls Woman's Club

A beautiful setting for 125 guests or less.

Excellent for rehearsal dinners, wedding ceremonies and receptions, showers, anniversaries, special events, and business meetings.

Public Safety

For your safety and enjoyment during the Sturgis Falls Celebration weekend, the following regulations will be in effect:

You MUST be 21 years of age AND have a valid driver's license in your possession in order to obtain a wristband to purchase beer. Security people with mobile electronic age verifiers will be spot checking IDs throughout the weekend. Thank you for your cooperation and understanding of the Sturgis Falls Celebration Board's focus on curbing underage drinking and our ZERO Tolerance policy.

No liquor, beer or wine may be brought into the Cedar Falls parks during the Sturgis Falls Celebration Weekend: June 26 through June 28, 2009. NO COOLERS.

Weather Cancellation Policy: When inclement weather is imminent, a decision will be made to postpone or cancel activities depending on the severity of the predicted conditions and the public's safety. Lightning is the biggest factor.

Cedar Falls City Council has passed the following ordinance: Dogs and cats are prohibited from public playgrounds or parks during the last Friday, Saturday and Sunday of June each and every year, except if such animals are part of an organized public activity such as a canine frisbee contest.

NO bicycles, skateboards, roller blades, scooters or the like are allowed in any of the parks (including Overman Park). Please use a bike rack for your bike! (See map for location of bike racks).

The Franklin Street/Center Street Bridge WILL be open to two-way single lane traffic. If flooding occurs in Island Park (Carnival location) and/or Tourist Park (Entertainment/Rock 'n Roll location), Gateway Park will be used as a backup location for either &/or both.

Do not sit on the curb to watch the parade with your feet in the street where there is any chance of being hit by a parade entry (especially on corners, i.e. 3rd and Main!)

Please keep the interior sidewalks in Overman Park clear for emergency personnel. Stopping on the interior sidewalk also impairs the vision of seated spectators. Please be respectful of others!

There is NO soliciting of any kind allowed in the Parks during the Celebration weekend!

Please obey the reduced speed signs and use the pedestrian crosswalks on 1st Street between Main Street and Iowa Street.

Sartori Hospital will have a First Aid/Rest Tent in Overman Park and on The Green in Sturgis Park Friday, Saturday and Sunday.

Mosquito control: Professional pest control personnel will use only legally authorized chemicals in line with all local, state & federal regulations.

A public notice will be posted.

THANK YOU FOR YOUR COOPERATION!

Bailey Carlisle, daughter of Tom and Jean Carlisle of Janesville, is a 2009 graduate of Northern University High School. During her high school years, Bailey exhibited strong academic, athletic, musical, and leadership abilities, while maintaining a 3.73 grade point average. She lettered in basketball, softball, tennis, and volleyball. As a member of the NU Choir, NU Singers, Concert, Pep and Jazz Bands, she took on leadership roles and earned multiple honors.

Her love for singing and acting has given her many opportunities to share her talents through school events and musicals, Cedar Falls Community Theatre, Sturgis Youth Theater, and the Sturgis Falls Celebration Talent Competition.

Bailey's love for singing got started at the Janesville United Methodist Church. During her Junior High years, she was invited by friends to attend confirmation at St. John Lutheran. She is currently a vocalist in the Student Band at Orchard Hill.

Bailey has worked as a coach for the National Junior Tennis League Summer Camp, sold concessions at the UNI-Dome during football season, and is actively involved in her family's llama farm.

In the fall, Bailey plans to attend the University of Northern Iowa and major in Fitness or Science.

Sam Lilja, son of Pete and Kayann Lilja of Cedar Falls is a 2009 graduate of Cedar Falls High School. Throughout high school Sam maintained a 4.0 grade point while participating in extra-curricular activities and working. He was dual enrolled at the University of Northern Iowa this past academic year. Sam was active in Student Senate, Junior and Senior Leadership. The past two years he helped guide the student body in the food drive competition against other schools in the Cedar Valley. Sam also participated in Choir, Cantus, Vocal Jazz, Speech Team, and theater productions. He's known as the "Voice of the Cedar Falls Tiger Marching Band", announcing pre-game and half-time shows for all the CFHS home games.

The performing arts have been Sam's forte since he was seven years old and took an acting class at the BlackHawk Children's Theater. Shortly thereafter, he was cast in his first performance as Fudge in "Tales

of a Fourth Grade Nothing". He has appeared onstage in 25 productions at the Cedar Falls Community Theatre, Waterloo Community Playhouse, BlackHawk Children's Theatre, Sturgis Youth Theatre, Lampost Theatre Company, and Theatre UNI.

As a member of First United Methodist Church, Sam has been active in youth group and as a Vacation Bible School Leader. He also works as a Media Assistant at FUMC, filming, editing, and producing services to be delivered to local television stations and home-bound church members.

Sam will be attending the University of Northern Iowa in the fall and plans to major in Theater.

Erica Scullin, daughter of James and Mary Scullin of Cedar Falls, is a 2009 graduate of Cedar Falls High School. Erica achieved a cumulative 4.0 GPA, has been dual enrolled in classes at Hawkeye Community College this past year and has taken several AP (Advanced Placement) courses. She has been awarded numerous academic honors and achievements. During her high school career, she participated in Student Senate and was a 3 year member of the Leadership Team which planned such events as Homecoming, Prom, and the Student Food Drive.

Erica loves anything related to water. Beginning at age 6 she swam competitively for BLAST (Black Hawk Area Swim Team), was on the CF Women's Swim Team, managed the CF Men's Swim Team, and works as a life guard and swimming lessons instructor at The Falls. As a member of the CF Women's Swim Team, she

was a letter winner and a State High School qualifier and participant all four years. She was also the team captain for two years and was named Academic All-State.

In August, Erica plans to attend the University of Northern Iowa and double major in Biology and Biochemistry in preparation for fulfilling her dream of becoming a Doctor.

Perfect In Every Pour.

Our brewmasters will tell you Budweiser is at its best right out of the finishing tank. They'll also tell you the next best thing is the taste straight from the tap. That's why we go to such great lengths to care for our kegs.

We keep our barrels of Budweiser perfectly chilled from the brewery to the distributor to the tap. We keep them fresh-you'd be hard pressed to find another beer on tap as fresh as Budweiser. And most importantly, we work with retailers to keep their beer lines impeccably clean.

It's a lot of extra effort, but it's worth it. When that cold, fresh Budweiser pours out of a clean tap into a beer clean glass, it just might be the pinnacle of perfection.
