2012 Grand Marshals

Sid and Alvira Morris

Our Grand Marshals are long-time Cedar Falls residents Sid and Alvira Morris.

As newlyweds, Sid and Alvira Morris arrived in Cedar Falls in August of 1956 to attend Iowa State Teachers College; now named UNI. Their plan was that Sid would complete his bachelor degree, Alvira would get a 2-year teaching certificate, and they would move on. However, fate intervened and upon completion of his degree program, Sid was recruited by Waterloo Schools to teach at Edison School. Alvira completed a bachelor degree and Cedar Falls became their home. They subsequently earned master degrees and each enjoyed a 40-year career in various positions as educators.

Their sons, Jeff and Dan, are graduates of Cedar Falls High School and Iowa State and UNI respectively. Sid and Alvira's six grandchildren have brought great joy to their lives throughout the years.

Since the first Sturgis Falls in 1976, they are proud to say, "We haven't missed a one!" The Morris' have participated in the El Kahir Shrine Cycle Patrol and Shrine Mobile Nobles, transported dignitaries for the Dignitary Procession, volunteered at both the Masonic Lodge food stand and the Ice House Museum, and served as Host and Hostess for the Sturgis Dignitary Luncheon. They especially enjoy the Marine Band performances.

Sid and Alvira want to express their appreciation to the community for the honor of serving as Grand Marshals for the Sturgis Falls Celebration.

2012 Cornerstone Award

Maid-Rite - Penne and Al Koeppel

The Sturgis Falls Celebration is proud to present Cedar Falls Maid-Rite/Allen and Penne Koeppel, the Cornerstone Award.

Cedar Falls Maid-Rite was established in 1947 at the same location as today, 116 E. 4th Street. The franchise was purchased by Al and Penne Koeppel in 1980 from Penne's mother "Moe", the original Cedar Falls franchisee. Maid-Rite (Des Moines) was founded in 1926, by a Muscatine meat butcher, Fred Angell.

Both Al and Penne are active in the community. They support numerous activities and events in Cedar Falls under the Maid-Rite name. When not at the restaurant, they enjoy gardening, bicycling and motorcycling. Al is a 20-year veteran of the Cedar Falls Municipal Band and founding member of the Washington Street Brass. They also volunteer through St. Patrick Church, Knights of Columbus, AMVETS Post 49 and the Honor Guard.

The Koeppels have three grown children; Chris (Megan), Chad (Abbey) and Angela. They also are proud grandparents.

Their favorite Sturgis memories are the Marine Band performances in Overman Park and their participation at the Maid-Rite booth, by the Ice House Museum in Sturgis Park ~ rain or shine!

2012 Host & Hostess

Miller and Sharon Roskamp

This year's Sturgis Falls Celebration Host and Hostess, Miller and Sharon Roskamp, welcome you to the 37th Annual Celebration.

Passion for projects pertaining to adults with intellectual disabilities has been their life focus. These efforts have included building Sheltered Care Villages in Illinois and Wisconsin. They have been involved in providing five group homes and workshops for the intellectually disabled adults in this area, Waverly and Mason City. Miller was deeply involved in the acquisition and remodeling of the Deery Center, which is run by Exceptional Persons Inc. He is actively raising funds for a massive remodeling project at River Hills School. Both he and Sharon are very excited about the positive outcome for the students, staff and parents.

Over the years, the Roskamps have volunteered their time and talents to several local Boards, Foundations, and organizations; including Sartori Hospital, US Bank, Iowa Laser Technology, Exceptional Persons (EPI), Comprehensive Systems, Western Home, North Star Community Services, Cedar Falls Community Foundation, and various Church boards and committees.

Their family includes son, Michael (Waterloo) and daughter and son-in-law, Lori and David Nordyke (Cedar Falls). They also have two grandchildren.

During Sturgis Falls weekend, the Roskamp's enjoy seeing people from their past, as well as, the Talent Competition, Marine Band performance, Arts and Crafts Fair, Jazz Festival, and the food vendors.

2012 Cover Artist

Rob Swiatly

Rob Swiatly is no stranger to the Sturgis Falls Celebration when it comes to creating outstanding and creative artwork. In fact, Rob is the first artist to have his artwork selected by the Sturgis Falls Celebration Board of Directors four times. Before being chosen as the 2012 artist, Rob created the artwork for Sturgis Falls Celebrations in 2001: A Summer Odyssey, 2004: ARTrageously Fun, and 2007: A Family Tradition. The 2012 Sturgis Falls Celebration theme inspired Rob to incorporate a New Orleans flair into his design.

Rob is a long-time Cedar Falls resident, graduating from Cedar Falls High School in 1986 after which he obtained his degree in commercial art from Hawkeye Community College. Rob is currently employed as a graphic designer at Martin Bros., in Cedar Falls. Away from work, he enjoys photography, fishing, spending time with his family, going to the drag strip and catching an occasional Cubs game. He and his wife JoAnna, have two daughters. The family enjoys the wide variety of music available during the Sturgis Falls Celebration.

Public Safety

For your safety and enjoyment during the Sturgis Falls Celebration weekend, the following regulations will be in effect:

- You **MUST** be 21 years of age AND have a valid photo ID in your possession in order to obtain a wristband to purchase beer. Security people with mobile electronic age verifiers will be spot checking IDs throughout the weekend. Thank you for your cooperation and understanding of the Sturgis Falls Celebration Board's focus on curbing underage drinking and our ZERO Tolerance policy.
- No liquor, beer or wine may be brought into the Cedar Falls parks during the Sturgis Falls Celebration Weekend - June 21 through June 24, 2012. No Coolers!
- Weather Cancellation Policy - When inclement weather is imminent, a decision will be made to postpone or cancel that day's activities depending on the severity of the predicted conditions and the public's safety. Lightning is the biggest factor.
- Cedar Falls City Council has passed the following ordinance: "Dogs and cats are prohibited from public playgrounds or parks during the last Friday, Saturday and Sunday of June each and every year, except if such animals are part of an organized signposted public activity such as a canine frisbee contest". A service dog or animal would be permitted.
- NO bicycles, skateboards, roller blades, scooters or the like are allowed in any of the parks (including Overman). Please use a bike rack for your bike! (See map for location of bike racks).
- Do not sit on the curb to watch the parade with your feet in the street where there is any chance of being hit by a parade entry (especially on corners-i.e. 3rd and Main!)
- Please keep the interior sidewalks in Overman Park clear for emergency personnel. Stopping on the interior sidewalk also impairs the vision of seated spectators. Please be respectful of others!
- There is NO Soliciting of any kind allowed in the Parks during the Celebration weekend!
- Please obey the reduced speed signs and use the pedestrian crosswalks on 1st Street between Main Street and Iowa Street.
- Sartori Hospital will have a First Aid/Rest Tent in Overman Park and on the Green in Sturgis Park Friday, Saturday and Sunday.
- Mosquito control: Professional pest control personnel will use only legally authorized chemicals in line with all local, state & federal regulations. A PUBLIC NOTICE will be posted in all treated parks.
- The Sturgis Falls Celebration Inc. Board of Directors reserves the right to restrict admission or eject and ban anyone from the Parks and areas under their control who may be deemed undesirable or present a threat to the Celebration as a whole.

THANK YOU!

2012 Scholarship Recipients

Benjamin Challgren, son of Amy and Fenton Challgren, is a 2012 graduate of Cedar Falls High School. Ben played Bass in the Jazz Band and Orchestra, participated in Tigers Football, and was on the Student-Advisory Council while maintaining a 3.9 GPA.

When asked about the Sturgis Falls "spirit" he is most impressed with the list of donors (both volunteer and financial) and wants to be able to contribute to his community in that capacity in his future. Ben was a 4-year CFHS honor-roll student and member of DECA and this year he held the position of president for Iowa DECA.

Ben is employed at Scuba Too, has his own snow removal service and spent 2 summers de-tasselling Iowa corn.

One of Ben's favorite Sturgis Falls memories involves a group of friends, turkey legs, and the Marine Jazz Band Ensemble performance on the Overman Park Band Shell Stage. Since he was a member of the Jazz Band at CFHS and started playing Piano as a Kindergartener, Ben thoroughly enjoyed the entire experience and appreciated the talent and skill displayed by the Marines.

In the fall, he plans to attend Duke University and major in Economics. He plans on continuing his studies to pursuing a law degree.

Rhydian Talbot, daughter of Leesa and Adrian Talbot, of Cedar Falls, is a 2012 graduate of Cedar Falls High School. During High School she maintained a 3.97 GPA, while taking Honors and Advanced Placement classes. She was active in Alpha program, Wind Symphony, Symphonic Orchestra, Pep Band, Marching Band, Concert and Women's Choir, Speech and Theater, Women's Soccer, and wrote for the Tiger Hi-Line.

She has been involved with her church, Nazareth Lutheran, in small group leadership and other roles. The past few summers, she has been employed in the main office at CFHS and on the Cedar Valley Soccer fields as a referee. Rhydian currently works at Panera Bread.

Rhydian and her family enjoy Sturgis Falls, especially, the Parade, Talent Competition, and the Arts and Crafts Fair. They appreciate the sense of hometown pride and caring that was exhibited years ago when Rhydian was about 2 years old and got stung by a bee on her lip. As they left to seek medical attention, an older couple picked them up and took the whole family to the emergency room. It's that type of special caring that exemplifies the spirit of Sturgis Falls, especially for the Talbot family.

In the fall, she plans to attend UNI and major in Communication with an emphasis in Public Relations.

Smarter. Bolder. Faster.
