Payment Policy

Muehlebach Funeral Care has established a uniform payment policy to serve all families fairly and to prevent misunderstandings. This payment policy enables us to contain our costs to all the families we serve.

Muehlebach Funeral Care's policy requires that all financial arrangements be completed during the arrangement conference.

The following are acceptable payment arrangements:

In order to help us in maintaining our high standards of care, all funeral and cremation services are treated as cash transactions. We are not in a position to provide financing and your account is due and payable on the day that arrangements are made. In the event that the decedent's funds are not immediately available then a member of the family will need to take care of payment and file their own claim for reimbursement with the estate.

Your Third Party Items: When we distribute payments on your behalf to outside third parties, such as a cemetery, newspaper, clergy, musician, or for sales tax, etc., we request payment in the form of cash or check at the time of arrangements for these items. For your convenience we will be happy to accept credit card payments for them with an additional fee of 3.5%.

Your Funeral Home Account: This is a cash transaction. Payment is due and payable on the day that arrangements are made. Payment may be made by cash or check, by Visa, MasterCard, Discover, or American Express or by life insurance assignment. If you would like to pay by life insurance assignment, the fee is 5% of your total bill, and we will file the claim on your behalf.

Muehlebach Funeral Care does not accept future payment from "Estate Funds".

These prices are effective Nov. 1, 2026 but are subject to change without notice.
