

Happy Summer!

Your child has worked hard this year! In an effort to maintain skills and encourage growth, I have included a few required summer reading/math activities. **Reading for just 20 minutes every day at home can have a positive impact on your child's reading success in school!**

Materials Attached - Math practice pages for addition, subtraction, time, money, multiplication tables, the Let's Look Back graphic organizer and the Five Finger Fact graphic organizer

Summer Reading and Math Assignments

- Complete the addition and subtraction practice pages, and the time and money practice pages
- Spend 5 - 10 minutes a day studying/memorizing your multiplication facts.
- **Read every day for at least 20 minutes.** This can include parents reading aloud to you.
- Complete 1 Let's Look Back graphic organizer after reading a fiction book of your choice. Neatness and effort count!
- Complete 1 Five Finger Fact graphic organizer after reading a non-fiction book of your choice. Neatness and effort count!

All summer math and reading activities should be completed and returned for a grade during the first week of school.

Have a great summer!

Mrs. Dewar
