

Summer Skills Packet – June 2026

Welcome to 4th Grade!

Reading

Required Reading: Nonfiction-- Dreaming of America--An Ellis Island Story by Eve Bunting. You may get this book at the library or used on Amazon. Complete the RACE writing paper attached. Mrs. Dewar worked with you on RACE writing, during third grade, so you should be familiar with it.

Question that you need to answer: ***What was the journey like to America?***

R--Restate--Restate the question by turning it into a statement.

A--Answer--Answer the question completely.

C--Cite text evidence--Use examples and evidence from the text and include the page number. You could start your Evidence with: According to the text, " _____." or The author stated, " _____."

E--Explain your thinking--Explain how the evidence supports your answer. Give more details. You could start your Explanation with: This means _____. (or) This shows _____.

Fiction-- Please read at least one book by any of the following authors: Rick Riordan (Percy Jackson and the Olympians series), Jenny Nimmo (Charlie Bones Series), Beverly Cleary, Louis Sachar, or Roald Dahl. Then complete the Reading Response Worksheet for the book that you choose. Remember to write in complete sentences. The paper is attached.

Math – Practice your Math Facts daily. It is critical that you know your multiplication tables, through the 12's. We will begin timed tests in October. The multiplication tables are the foundation of 4th grade math. Summertime is a great time to practice these skills. You need to only spend 5-10 minutes/day reviewing them. Play "Multiplication War" with a family member (by multiplying the numbers of the cards you each flip over), use flash cards if you have them at home, login to multiplication.com, or mathplayground.com. A little practice goes a long way, and being fluent with your math skills will make fourth grade math so much simpler for you! Complete the three multiplication worksheets and the multiplication chart.

Social Studies - You will need to know your states, capitals and abbreviations. I have attached a sheet for you to practice over the summer. Have fun with it! Create flashcards for each state to practice over the summer. Put the state name on one side, the state abbreviation and capital on the flip side. Bring all 50 to school on the first day.

What was the journey like to America?

Name: _____

R RESTATE	
A ANSWER	
C CITE	
E Explain	

Name: _____

Reading Response Worksheet

Title: _____

Author: _____

In the table below, you are going to use bullet points to name the main characters and important descriptions of those characters found in the book about those characters. Include the page numbers you find the descriptions on!

Main Character(s)	Description	Page Number

Answer the following questions in complete sentences.

Name one challenge the main character faced. Include the page number you found this information on.

How did the character respond to this challenge?

What did you like about this book? What did you dislike about this book?
