Hear what a few graduates said about SOM...

"A magical experience! A journey of spiritual growth and development! Well worth the time, effort and money. Well put together, well thought! Has given us the foundation to go be the people God has called us to be.." KAE

"TIC School of Ministry has impacted me spiritually, physically and emotionally. One of the ways was just knowing that I was created for a purpose on purpose and that purpose is to glorify God. Apostle Fritz Musser's teaching is outstanding on all topics in the curriculum, certainly something I will never forget!" AB

"When thinking about the School of Ministry I think of 'Oh, the depth of the riches, of the wisdom and the tangible knowledge of God...' Romans 11:33a. The course is highly scriptural and an equipping experience." MBA
