### SoFlo Code of Conduct: Parents / Guardians

The purpose of a code of conduct for parents is to establish consistent expectations for behavior by parents and their families. As a parent/guardian, I understand the significant growth and developmental support my child's participation fosters. I also know that it is essential to provide the South Florida Aquatic Club's coaches & staff with respect and the authority to coach the team. I agree with the following statements:

- I will set the right example for our children by demonstrating sportsmanship and showing respect and common courtesy at all times to the team members, coaches, competitors, officials, parents, and all facilities.
- I will do my best supporting with my child(s) to be punctual to all practices, meets, and SoFlo activities. "It is good practice to be 5 minutes or more early to all SoFlo functions."
- I will get involved by volunteering, observing practices, cheering at meets, and talking with my child and their coach about their progress.
- I will refrain from coaching my child from the stands during practices or meets.
- I understand that criticizing, name-calling, use of abusive language or gestures directed toward coaches, officials, volunteers, and/or any participating swimmer will not be tolerated.
- I will respect the integrity of the officials.
- First and foremost, I will direct my concerns to my child(s) direct coach, then if not satisfied, to the appropriate office manager then head coach.
- I will review and acknowledge the Safe Sport Minor Athlete Abuse Prevention Policy "MAPP 2.0."

I understand the above expectations and that my failure to adhere to them may result in disciplinary action.
