CCD Thank You - Easter Service Project

We would like to extend a heartfelt thank you to all of the parishioners and the parents of our CCD students for your generosity and support this Easter season. Because of your kindness, we collected an abundance of shampoo and soap to donate to the **El Paso Food Pantry**, helping families in our local community.

We are truly blessed to live in such a caring and giving community. Your willingness to serve others is a beautiful example for our children and a wonderful reflection of our faith in action.

Thank you for making this Easter season so meaningful for those in need.
