We just wanted to take this opportunity to thank Father, our parish family, and all the CCD families for another amazing year at St. John's. We saw a lot of change this year, and everyone was there to support the children of our parish through it all. I know I say it every year, but we are so blessed at St. John's. We pray that everyone has a blessed Christmas season with their families and loved ones and that we can deepen our faith with our Lord, Jesus Christ.

Merry Christmas!

I would like to extend a heartfelt thank you to the St. John's parish for all of the generous donations to the RB60 school district. All of the tags were taken from the tree!

The school was so grateful for all of the donations. We might be a small parish, but we step up when our community is in need. I am so proud to be a member of such a giving church family. May God bless you for your generosity.
