

*MAKE is a call to action – rooted in Catechesis, Evangelization, and Faith into action – to follow Jesus’ Great Commission: Go and make disciples. It’s time to live our faith boldly. Together, let’s make disciples – starting now!*

The MAKE Committee of St. Joseph Parish would like to offer this survey to all parishioners and guests of our parish with the set goal of guiding the parish to “MAKE Disciples.” This survey will help guide parish administration and the committee to best serve the parish in achieving this goal. Use the link below to access the survey. Printed copies are available by clicking here or are located in Church and in the rectory. We look forward to your input.
