

Rhododendron List

'Anah Kruschke'

Flower Color:	Purple
Hardiness:	Zone 5 (-15 degrees F)
Flower/ Truss Description:	Flower widely funnel-shaped, 3" across, strong reddishpurple with a deep purplish-red blotch. Held in ballshaped trusses of 10-12 flowers.
Bloom Time:	Late Midseason (early June)
Height (ft.) in 10 Yrs:	5-6'
 Plant Habit:	Dark green leaves are retained for 3 years. Rounded compact habit, but will eventually get very large. Heat & sun tolerant.

'Blue Baron'

Flower Color:	Purple
Hardiness:	Zone 4 (-10 degrees F)
Flower / Truss Description:	Intense near-blue flowers with a light violet inside. Held in dome-shaped truss of 20 flowers.
Bloom Time:	Early Midseason
Height (ft.) in 10 Yrs:	3-4' tall and wide
Plant Habit:	2" long glossy, dark green leaves. Compact, mounding growth habit. Protect from winter winds. Tolerates full sun.

Rhododendron List

'Colonel Coen'

Flower Color:	Purple
Hardiness:	Zones 6-8 (-10 degrees F)
Flower / Truss Description:	Domed clusters of 4-6 deep purple 1 3/4" funnelshaped flowers with burgundy speckles on their upper lobes.
Bloom Time:	Midseason
Height (ft.) in 10 Yrs:	5' tall and wide
Plant Habit:	Leaves are shiny and wrinkled.

'Edith Bosley'

Flower Color:	Purple
Hardiness:	Zones 4-9 (-20 degrees)
Flower / Truss Description:	Flower openly funnel-shaped, wavy edges, 3" across, deep reddish-purple at margins shading through purple to reddish-purple in center, with dark red spotting.
Bloom Time:	Midseason
Height (ft.) in 10 Yrs:	5' tall and wide
 Plant Habit:	Leaves elliptic, flat, acute apex, cuneate base, 3" to 3 3/4" long, glabrous, olive green, retained 3 years. Spreading, open habit.

'Goldflimmer'

Rhododendron List

Flower Color:	Lavender
Hardiness:	Zones 5-8 (-15 degrees F)
Flower / Truss Description:	Flower 1¾" to 2" across, frilly edges, pale lilac pink, with brownish-yellow flecks on a paler blotch. Truss has 9-14 flowers.
Bloom Time:	Late-Midseason
Height (ft.) in 10 Yrs:	3-5' tall and wide
Plant Habit:	Leaves variegated green and yellow in central bands. Mounding, compact habit.

'Lee's Dark Purple'

Flower Color:	Purple
Hardiness:	Zone 5 (-15 degrees F)
Flower / Truss Description:	Flowers are broadly funnel-shaped, 7cm across, royal purple with greenish-brown marks within. Ball-shaped clusters of up to 16 flowers.
Bloom Time:	Late Midseason
Height (ft.) in 10 Yrs:	6' tall and wide
Plant Habit:	Upright, compact, rounded. Leaves are simple, alternate, have a slight waviness, are glossy, and dark green.

Rhododendron List

'Oceanlake'

Flower Color:	Purple/Blue
Hardiness:	Zone 6 (-5 degrees F)
Flower / Truss Description:	Flower saucer-shaped, 1" across, deep violet-blue. Held in trusses of 4-6 flowers.
Bloom Time:	Early Midseason
Height (ft.) in 10 Yrs:	2-3' tall and wide
Plant Habit:	Leaves 1" long, medium green, reddish-bronze in winter. Compact, dense habit. Responds well to pruning to keep its tight, compact habit.

'PJM Compacta'

Flower Color:	Purple – Pink
Hardiness:	Zones 4-8 (-25 degrees F)
Flower / Truss Description:	Showy, ruffled, deep lilac pink blossoms.
Bloom Time:	Early Midseason
Height (ft.) in 10 Yrs:	3-6' Tall and wide
Plant Habit:	Compact form. Dark burgundy foliage fall through winter. Rabbit resistant.

'PJM Elite'

Rhododendron List

Flower Color:	Purple
Hardiness:	Zones 4-8 (-25 degrees F)
Flower / Truss Description:	Deep red-purple flowers are openly funnel-shaped, wavy lobes, 1 ½" across. Flat, ball-shaped trusses hold 10-15 flowers.
Bloom Time:	Early Midseason
Height (ft.) in 10 Yrs:	4-5' tall and 8' wide
 Plant Habit:	Glossy green leaves turn bronze-mahogany in winter. Upright, dense growth habit.

'PJM Regal'

Flower Color:	Purple - Pink
Hardiness:	Zones 4-8 (-30 degrees F)
Flower / Truss Description:	Strong lavender-pink flowers. Blooms earlier than 'PJM Elite'.
Bloom Time:	Midseason
Height (ft.) in 10 Yrs:	4-6' tall and wide
Plant Habit:	Vigorous grower with spreading habit. Rounded form with leathery dark green foliage gets purplish hue in the fall.

'Purple Gem'

Rhododendron List

Flower Color:	Purple
Hardiness:	Zones 4-8 (-20 degrees F)
Flower / Truss Description:	Flower bright purplish-violet. Held in ball-shaped trusses.
Bloom Time:	Early Midseason
Height (ft.) in 10 Yrs:	2' tall by 3' wide
Plant Habit:	Leaves are a rusty, olive-green color. New growth is grayish-blue, and turn bronze in winter. Dense, compact, rounded habit.

'Purple Passion'

Flower Color:	Purple
Hardiness:	Zones 6-9 (0 degrees F)
Flower / Truss Description:	Deep reddish-purple blooms with a pale pink-white center.
Bloom Time:	Late Midseason
Height (ft.) in 10 Yrs:	5-6' tall and wide
Plant Habit:	Dark glossy green foliage. Compact, rounded habit. Partial sun. Protect from harsh winter winds.

'Purple Splendor'

Flower Color:	Purple
Hardiness:	Zone 6 (-5 degrees F)
Flower / Truss Description:	About 15 flowers in a compact cluster, each is broadly funnel-shaped, strongly ribbed, wavy-edged, violet purple with a black blotch. "King of the royal purples."
Bloom Time:	Late Midseason
Height (ft.) in 10 Yrs:	5' tall and wide

Rhododendron List

Plant Habit:	Long, narrow, dark green leaves. Upright, open habit. Sun or shade.
---------------------	--

'Tapestry'

Flower Color:	Purple
Hardiness:	Zone 5 (-15 degrees F)
Flower / Truss Description:	2" flower has wavy edges, is a vivid purple with a dark maroon blotch on the throat. Held in dome-shaped trusses of 18 flowers.
Bloom Time:	Late Midseason
Height (ft.) in 10 Yrs:	4' tall and wide
Plant Habit:	3" long, dull, dark green leaves are retained for two or more years. Compact, dense grower.

catawbiense 'Grandiflorum'

Rhododendron List

Flower Color:	Lavender
Hardiness:	Zones 4-8 (-25 degrees F)
Flower / Truss Description:	Large lilac-purple flowers are long-lasting with a yellowred blotch. Ball-shaped truss of 15-20 flowers.
Bloom Time:	Late Midseason
Height (ft.) in 10 Yrs:	6', can reach 10'
Plant Habit:	Commonly called Catawba rhododendron or mountain rosebay. Large, rounded to spreading habit with medium dense foliage. Leaves broadly elliptic, smooth, slightly shiny, dark green. Vigorous grower, Heat tolerant. Grows to tree size. Tolerates morning sun.

impeditum

Flower Color:	Purple
Flower / Truss Description:	Broadly funnel shaped, small, violet or purple to roselavender, rarely white. Inflorescence up to 4 flowered.
Bloom Time:	Early-Midseason
Height (ft.) in 10 Yrs:	1' tall and wide
Plant Habit:	Leaves elliptic to ovate to oblong, up to 5/8" long. Dense, compact habit.

ponticum 'Variegatum'

Flower Color:	Purple
Hardiness:	Zones 6-8 (-15 degrees F)
Flower/Truss Description:	Trusses of 6-15 lilac pink to light or rosy purple flowers are featured in spring. Upper lobes are usually marked with greenish or brownish spots.
Bloom Time:	Late
Height (ft.) in 10 Yrs:	4-6' tall and wide

Rhododendron List

Plant Habit:	Showy year round interest with narrow green leaves with a thin, creamy white margin. Moderate growth rate. Partial Sun.
---------------------	---

'Honey Butter'

Flower Color:	Yellow- Pink
Hardiness:	Zones 6-9 (0 degrees F)
Flower / Truss Description:	Flower are funnel-campanulate with wavy edges, 3" wide, inside is light yellowish-pink edged with pink; outside has deep pink midribs
Bloom Time:	Midseason
Height (ft.) in 10 Yrs:	3' tall and wide
Plant Habit:	Leaves elliptic, broadly acute apex, rounded base, 5½" long, dull, moderate olive green, retained 2 years. Keep out of hot, direct sun.

'Seaview Sunset'

Rhododendron List

Flower Color:	Orange (Red and Yellow)
Hardiness:	Zone 6 (0 degrees F)
Flower / Truss Description:	2" flowers have wavy edges. The inside is light yellow and is edged with a broad band of deep red-orange. Dome-shaped trusses have 16 flowers.
Bloom Time:	Early
Height (ft.) in 10 Yrs:	3-4' tall and wide
Plant Habit:	Semi-glossy, dark green leaves are flat, 4" long, with down curved edges.

'Blitz'

Flower Color:	Red
Hardiness:	Zone 6 (-10 degrees F)
Flower / Truss Description:	Intensely dark red flowers in trusses of 10-14.
Bloom Time:	Midseason
Height (ft.) in 10 Yrs:	3' tall and wide
Plant Habit:	Dense, compact growth. Good sun and heat tolerance.

'Everred'

Rhododendron List

'Henry's Red'

'Lord Roberts'

Flower Color:	Red
Hardiness:	Zones 6-10 (0 degrees F)
Flower / Truss Description:	Deep, red-purple bell-shaped flowers.
Bloom Time:	Early Midseason
Height (ft.) in 10 Yrs:	3-4' tall and wide
Plant Habit:	Stunning glossy, vibrant red-purple foliage brings beautiful color to the landscape year round. Mounded, compact habit. Grows well in sun or part shade. (Keep out of the hottest sun.)

Flower Color:	Red
Hardiness:	Zones 4-8 (-25 degrees F)
Flower / Truss Description:	Flower openly funnel-shaped, wavy lobes, 2" across, deep red with darker throat. Held in ball-shaped trusses of 12-15.
Bloom Time:	Midseason
Height (ft.) in 10 Yrs:	4-7' tall and wide
Plant Habit:	Leaves oblong, flat to convex, acute apex, cuneate base, 4" long, dark green, slightly twisted. Upright, open-growth habit.

Rhododendron List

Flower Color:	Red
Hardiness:	Zones 5-8 (-15 degrees F)
Flower / Truss Description:	Flower funnel-shaped, 2½" to 3⅛" across, dark red with a v-shaped black markings on dorsal lobes. Held in ballshaped truss holds 12-22 flowers
Bloom Time:	Late Midseason
Height (ft.) in 10 Yrs:	5' tall and wide
Plant Habit:	Vigorous growing. Upright, rounded habit.

'Ostbo's Red Elizabeth'

Flower Color:	Red
Hardiness:	Zones 6-9 (0 degrees F)
Flower / Truss Description:	Masses of red, bell-shaped flowers.
Bloom Time:	Midseason
Height (ft.) in 10 Yrs:	3-4' tall and wide
Plant Habit:	Attractive new growth is reddish-bronze, often lasting through summer. Vigorous upright habit.

'Pomegranate Splash'

Rhododendron List

Flower Color:	Red, White
Hardiness:	Zone 7 (10 degrees F)
Flower / Truss Description:	Open funnel-shaped flowers are 3 1/8" across, have wavy edges. Inside is a pale pinkish-white with a brown blotch. Edged in a strong reddish-pink. Dome-shaped truss has 14 flowers.
Bloom Time:	Midseason
Height (ft.) in 10 Yrs:	Up to 5' tall and wide
Plant Habit:	Semi-glossy dark green leaves. Full sun to partial shade.

'President Roosevelt'

Flower Color:	Red, White
Hardiness:	Zones 7-9 (0 degrees F)
Flower / Truss Description:	Flower strong red at edges with a white center. Held in conical trusses of 17-24 flowers.
Bloom Time:	Early Midseason
Height (ft.) in 10 Yrs:	5' tall and wide
Plant Habit:	Leaves thick, glossy, irregular yellow-green variegation. Branches weak and break easily. Sprawling habit. Afternoon protection from full sun is suggested.

'Rabatz'

Rhododendron List

Flower Color:	Red
Hardiness:	Zones 6-9 (-10 degrees F)
Flower / Truss Description:	Rich, fiery red 2 ½-3" flowers with short stamens. Dark red spots on all lobes and wavy-edged petals. Round trusses have 9-11 flowers.
Bloom Time:	Midseason to Late Midseason
Height (ft.) in 10 Yrs:	2-3' tall and wide
Plant Habit:	Dark green foliage. Leaves are 3 1/8-4 1/3" long. Compact, symmetrical growth.

'The Honorable Jean Marie de Montague'

Flower Color:	Red
Hardiness:	Zones 6-9 (-5 degrees F)
Flower / Truss Description:	Profusion of large, bright scarlet red flowers in early to mid-May. Strong red with dark red spotting in the dorsal throat. 3 1/8" across. Domed-shaped truss holds 14 flowers.
Bloom Time:	Midseason
Height (ft.) in 10 Yrs:	5-8' tall and 6-10' wide
 Plant Habit:	Heavy textured leaves are 5" long, mid to dark green. Dense habit. Full sun to light or open shade. Thrives in heat and sun.

'Trilby'

Rhododendron List

Flower Color:	Red
Hardiness:	Zones 5-8 (-10 degrees F)
Flower / Truss Description:	Valued for its large trusses. Flowers are vibrant, deep crimson with a small black blotch.
Bloom Time:	Late Midseason
Height (ft.) in 10 Yrs:	4-6' tall and wide
Plant Habit:	Leaves matt, grayish-green. Stems bright red. Open, upright habit.

'Vincent van Gogh'

Flower Color:	Red, White
Hardiness:	Zones 6-8 (-10 degrees F)
Flower / Truss Description:	Flower white edged bright cerise red. Unique color combination. Star-shaped flowers form a dense truss with red edge and white down the center of each lobe.
Bloom Time:	Early Midseason
Height (ft.) in 10 Yrs:	5' tall and wide
Plant Habit:	Leaves dark green.

'Vulcan'

Rhododendron List

Flower Color:	Red
Hardiness:	Zones 5-9 (-15 degrees F)
Flower / Truss Description:	Flower openly funnel-shaped, wavy-edges, bold fireengine red, unmarked. Held in dome-shaped trusses of about 10 flowers.
Bloom Time:	Late-Midseason
Height (ft.) in 10 Yrs:	5' in ten years, eventually reaching 8'x10'
 Plant Habit:	Leaves 4¾" long, acute apex, cuneate base, dark green. Mounding/rounded habit. Afternoon filtered light is preferred.

'Bruce Brechtbill'

Flower Color:	Pink
Hardiness:	Zone 6 (-5 degrees F)
Flower / Truss Description:	Flowers are openly funnel-shaped with wavy lobes, about 7cm across, pale pink with light yellow throat. In spherical clusters of 10-12 flowers.
Bloom Time:	Early Midseason
Height (ft.) in 10 Yrs:	4' tall and wide
Plant Habit:	Identical to 'Unique' except for flower color. Sun to part shade; can take heat.

'Cosmopolitan'

Rhododendron List

Flower Color:	Pink
Hardiness:	Zone 5 (-10 degrees F)
Flower / Truss Description:	Flowers are openly funnel-shaped, 1½ to 3" across, light purplish-pink fading to pale pink with dark red to deep purplish-pink markings. Held in conical-shaped trusses with 10-18 flowers. May bloom again in fall.
Bloom Time:	Mid-Late Midseason (May-June)
Height (ft.) in 10 Yrs:	5-6' tall and wide
Plant Habit:	Broad, dense habit, but can get a little leggy with age. Grows at a slow rate.

'Ebony Pearl'

Flower Color:	Pink
Hardiness:	Zones 6-10 (-10 degrees F)
Flower / Truss Description:	Flower is broadly funnel-shaped, 3½ to 4½" across, opens soft mauve-pink, fading to white at edges with a ray of reddish-brown spots. Conical-shaped truss of up to 19 flowers
Bloom Time:	Midseason
Height (ft.) in 10 Yrs:	4-6' tall and wide
Plant Habit:	Leaves are elliptic and twisted, 3" long, coppery green with deep maroon new growth.

'Fantastica'

Rhododendron List

Flower Color:	Pink
Hardiness:	Zones 6-9 (-10 degrees F)
Flower / Truss Description:	Flowers are 1 ¾-2" across, a strong pink, shading to white in throat, accented by light citron-green spots. Trusses hold 18-20 flowers. A prolific bloomer.
Bloom Time:	Midseason to Late Midseason (Late May)
Height (ft.) in 10 Yrs:	3-6' tall and wide
 Plant Habit:	Leaves are 4" long, dark green with a wooly, light tancolored indumentum on underside. Dense and compact shrub. Full sun to light or open shade.

'Hachmann's Polaris'

Flower Color:	Pink
Hardiness:	Zone 5 (-15 degrees F)
Flower / Truss Description:	Flowers are openly funnel-shaped, slightly frilly, 2 to 2 ¾" across, strong purplish-pink at edges, merging into light purplish-pink to very pale purple. The upper lobe is marked with a strong yellow green shading and bronze freckles. Held in ball-shaped truss of 18 - 20 flowers.
Bloom Time:	Late Midseason
Height (ft.) in 10 Yrs:	3' tall and wide
Plant Habit:	Leaves are 4 to 4 ¾" long, very hairy. Compact mound with dense foliage. Performs well in both full sun or shade. Wind tolerant.

'Kabarett'

Rhododendron List

Flower Color:	Pink-Lavender
Hardiness:	Zone 5 (-15 degrees F)
Flower / Truss Description:	Clusters of stunning, lightly scented pink blooms with a lavender hue and a strong dark copper blotch.
Bloom Time:	Mid-Late Season (May-June)
Height (ft.) in 10 Yrs:	6' tall and Wide
Plant Habit:	Dark green leaves retain color through winter. Spreading growth habit.

'Ken Janeck'

Flower Color:	Pink
Hardiness:	Zones 5-8 (-15 degrees F)
Flower / Truss Description:	Flowers are openly funnel-shaped, 2½" across, pink fading to white, upper lobe is spotted green. Compact trusses of 13-17 flowers.
Bloom Time:	Midseason
Height (ft.) in 10 Yrs:	3' tall and up to 6' wide
 Plant Habit:	Leaves are dark green with thick indumentum beneath. Compact, mounding plant. Grows twice as wide as high.

'PJM Pink'

Rhododendron List

Flower Color:	Lavender-Pink
Hardiness:	Zones 4-8 (-30 degrees F)
Flower / Truss Description:	Flowers are openly funnel-shaped with wavy edges, 1½" across, lilac purple to light violet.
Bloom Time:	Early (February)
Height (ft.) in 10 Yrs:	3-5' tall and wide
Plant Habit:	Summer foliage is green, mahogany foliage in the winter mounding compact habit. Tolerates all extremes of sun to shade.

'Scintillation'

Flower Color:	Pink
Hardiness:	Zones 5-8
Flower / Truss Description:	Lightly fragrant pink flowers with ruffled edges and golden freckled splotch in large, showy trusses.
Bloom Time:	Midseason
Height (ft.) in 10 Yrs:	5' tall and wide
Plant Habit:	Dense growth habit. Protect from winter winds. Partial sun.

'Yaku Princess'

Flower Color:	Pinkish-White
Hardiness:	Zones 5-9 (-20 degrees F)
Flower / Truss Description:	An abundance of soft pink buds open to apple blossom blooms that fade to white.
Bloom Time:	Late Midseason (Late Spring/Early Summer)

Rhododendron List

Height (ft.) in 10 Yrs:	5' tall and wide
Plant Habit:	Dense, compact habit. Deep olive green foliage with indumentum on the underside.

'Capistrano'

Flower Color:	Yellow
Hardiness:	Zones 5-9 (-15 degrees F)
Flower / Truss Description:	Flowers are funnel-campanulate with frilly edges, 2" across, pale greenish-yellow with no markings. Domes shaped trusses of 15 flowers.
Bloom Time:	Late Midseason
Height (ft.) in 10 Yrs:	4' tall and wide
 Plant Habit:	Leaves are 4½" long, dull, deep green, retained 2-3 years. Dense, mounding habit. Performs best with afternoon shade.

'Golden Ruby'

Rhododendron List

Flower Color:	Yellow
Hardiness:	Zone 7 (0 degrees F)
Flower / Truss Description:	Flowers are about 3¼" across, brilliant to light yellow, edged deep pink with a moderate orange blotch. Flat truss holds 9-10 flowers
Bloom Time:	Midseason to Late Midseason
Height (ft.) in 10 Yrs:	4' tall and wide
Plant Habit:	Leaves elliptic, 4¼" long, moderate yellow-green.

'Golden Torch'

Flower Color:	Yellow
Hardiness:	Zone 7-9 (0 degrees F)
Flower / Truss Description:	Flower are campanulate, about 2" across, pale yellow very lightly flushed pale greenish-yellow and spotted light yellow on the dorsal lobe. Ball-shaped trusses of 13-15 flowers.
Bloom Time:	Late Midseason
Height (ft.) in 10 Yrs:	3-5' tall by 4-6' wide
Plant Habit:	Leaves are about 2½" long, dull, dark green, retained for three years. Fairly compact, upright habit. Received England's prestigious Award of Garden Merit from the Royal Horticulture Society in 1993.

'Holden's Solar Flair'

'Horizon Monarch'

Rhododendron List	
Flower Color:	Yellow
Hardiness:	Zones 5-8 (-10 degrees F)
Flower / Truss Description:	Rose pink buds open up to medium-large, creamy yellow ruffled petals with a bright blotch of red (garnet) inside throat.
Bloom Time:	Early Midseason
Height (ft.) in 10 Yrs:	3-4' tall and wide
Plant Habit:	Long, elliptical, deep glossy green foliage. Slow growing and compact habit. Best in partial shade.

'Hotei'

Flower Color:	Yellow
Hardiness:	Zones 7-9 (5 degrees F)
Flower / Truss Description:	Flower openly funnel-shaped, 4" across, pale greenishyellow to light yellow with a small, vivid red flare. Ballshaped truss holds 15 flowers.
Bloom Time:	Midseason (early May)
Height (ft.) in 10 Yrs:	4-6' tall and 6-8' wide
 Plant Habit:	Spreading growth habit. Handsome rhododendron with leaves that are embellished with scarlet-orange buds which open to reveal gigantic trusses of creamy yellow flowers with a diminutive splash of red inside the base of each flower.

Rhododendron List

Flower Color:	Yellow
Hardiness:	Zones 6-9 (5 degrees F)
Flower / Truss Description:	Flowers are about 2½" across, light canary yellow with deeper shading of brilliant yellow. Held in loose, ballshaped truss of 10-12 flowers.
Bloom Time:	Midseason
Height (ft.) in 10 Yrs:	3' tall and slightly wider
Plant Habit:	Leaves narrowly elliptic, up to 4" long, dark green. Compact and tight growing. Avoid full sun.

'Lemon Dream'

Flower Color:	Yellow
Hardiness:	Zones 5-9 (0 degrees F)
Flower / Truss Description:	Flower broadly funnel-shaped, sometimes double, 2½" across, wavy-edges, light greenish yellow. Domes shaped truss holds 13 flowers. Abundant, soft yellow flowers can sometime be double.
Bloom Time:	Midseason (Late April to early May)
Height (ft.) in 10 Yrs:	3' tall and 4' wide, eventually reaching 5' tall and 6' wide
 Plant Habit:	Leaves are elliptic, broadly acute apex, rounded base, up curved edges, 2½" long, dark green, new growth has powdery indumentum on top. Dense, spreading plant habit.

'Nancy Evans'

Rhododendron List

Flower Color:	Yellow
Hardiness:	Zones 5-9 (5 degrees F)
Flower / Truss Description:	Flowers have wavy lobes, 2½" across, light yellow with some early orange shading on lobes and reverse, hose-in-hose. Ball-shaped trusses hold 19 flowers.
Bloom Time:	Midseason
Height (ft.) in 10 Yrs:	3' tall by 5' wide
 Plant Habit:	Leaves are narrowly elliptic to elliptic, 4" long, shiny, medium green, bronze colored when new. Rounded, compact habit.

'Odee Wright'

Flower Color:	Yellow
Hardiness:	Zones 6-9 (-5 degrees F)
Flower / Truss Description:	Melon colored flower buds burst forth and open to delicate, slightly wavy petals of melon borders and yellow interiors with flecks of maroon on the upper lobes.
Bloom Time:	Midseason
Height (ft.) in 10 Yrs:	4' tall and wide, eventually reaching 8'
 Plant Habit:	Leaves waxy, glossy, 3½" long. Compact, dense grower. Protect from full sun exposure.

Rhododendron List

'Patty Bee'

Flower Color:	Yellow
Hardiness:	Zones 6-9 (-5 degrees F)
Flower / Truss Description:	Flowers are openly funnel-shaped, wavy lobes, 2" across, light green-yellow. No markings. Held in lax trusses of 6 flowers.
Bloom Time:	Early Midseason
Height (ft.) in 10 Yrs:	4' tall and wide
Plant Habit:	Broader than tall, dense grower. Partial sun.

'Calsap'

Flower Color:	White
Hardiness:	Zone 4-8 (-25 degrees F)
Flower / Truss Description:	Flowers are tubular funnel-shaped with wavy edges, 2¾" across, white with a dark red blotch, reverse slightly flushed very pale purple. Held in a conical truss of 18 flowers.
Bloom Time:	Midseason
Height (ft.) in 10 Yrs:	4' tall and wide
Plant Habit:	Leaves are 5½" long, smooth, vivid lime-green, and are retained for two years. Plant needs sun for dense habit.

'Cunningham's White'

Rhododendron List

Flower Color:	White
Hardiness:	Zones 5-8 (-10 degrees F)
Flower / Truss Description:	2" to 2 ³ / ₈ " flowers open white a ray of pale purple and brown markings. Several clones exist. Most common has large truss of 7-8 showy flowers.
Bloom Time:	Late Midseason
Height (ft.) in 10 Yrs:	4' tall and wide
Plant Habit:	Dark green leaves are 5" long. Dense habit. Can grow to 10 feet tall. Protect from winter winds.

'Dora Amateis'

Flower Color:	White
Hardiness:	Zones 6-9 (-15 degrees F)
Flower / Truss Description:	Flower is about 1 ³ / ₄ " across, sometimes fragrant, white with faint greenish-yellow spotting on dorsal lobe. Held in lax trusses of 6 - 8 flowers.
Fragrant:	Yes sometimes
Bloom Time:	Early Midseason
Height (ft.) in 10 Yrs:	3' tall and wide
 Plant Habit:	Bronze leaf color if grown in full sun. Prefers some shade for best performance. Grows twice as wide as tall.

'Ginny Gee'

Rhododendron List

Flower Color:	Creamy White and Pink
Hardiness:	Zones 5-8 (-10 degrees F)
Flower / Truss Description:	Yellow buds open to blushing pink flowers that fade to light pink or white.
Bloom Time:	Early Midseason
Height (ft.) in 10 Yrs:	2' tall and wide
Plant Habit:	Leaves are only 1 ¼" long and turns a handsome bronze tone in the winter. Compact, very dense growth habit.

'Gomer Waterer'

Flower Color:	White
Hardiness:	Zones 5-8 (-15 degrees F)
Flower / Truss Description:	Flower openly funnel-shaped, about 3" across, white flushed mauve-pink at the edges with yellow-brown flare in the upper lobe. Held in dome-shaped truss of up to 24 flowers.
Bloom Time:	Midseason to Late
Height (ft.) in 10 Yrs:	6' tall and wide
Plant Habit:	Leaves ovate to oblong-obovate, thick and leathery, about 4¾" long, recurved, slightly glossy, deep green. Spreading habit. Heat resistant and sun tolerant.

'Kodiak'

Rhododendron List

'Percy Wiseman'

'Sappho'

Flower Color:	White and Pink
Hardiness:	Zones 5-9 (-5 degrees F)
Flower / Truss Description:	Dark pink buds open to pale white flowers.
Bloom Time:	Midseason
Height (ft.) in 10 Yrs:	4' tall and wide
Plant Habit:	Showy dark green foliage has fuzzy light brown indumentum on the underside. Needs protection from afternoon sun.

Flower Color:	White
Hardiness:	Zones 5-9 (-5 degrees F)
Flower / Truss Description:	Flowers are 2" across, very lightly flushed and spotted moderate orange on the dorsal lobe. Flowers fade to creamy white with yellow throat. Ball-shaped truss of 13-15 flowers.
Bloom Time:	Midseason
Height (ft.) in 10 Yrs:	3' tall and wide
Plant Habit:	Leaves elliptic, acute apex, cuneate base, 3" long, glossy, medium green. Compact and well branched shrub.

Rhododendron List

Flower Color:	White
Hardiness:	Zone 4 (-15 degrees F)
Flower / Truss Description:	Flowers have wavy-edges, are 2¾" to 3⅓" across, and white with a prominent purple-black blotch. Held in conical-shaped trusses of about 15 flowers.
Bloom Time:	Midseason
Height (ft.) in 10 Yrs:	6' tall and wide
Plant Habit:	Leaves are 5" long, dull, mid green. Upright habit, can become open and leggy. Can grow to tree-size.

'Unique'

Flower Color:	White
Hardiness:	Zones 6-9 (-5 degrees F)
Flower / Truss Description:	Flower funnel-shaped, 2¾" across, creamy white faintly flushed pink, spotted crimson. Dome-shaped truss of about 14 flowers
Bloom Time:	Early Midseason
Height (ft.) in 10 Yrs:	4' tall and wide
Plant Habit:	Leaves oblong-ovate, about 3" long, thick, deep green. Dense, rounded, very attractive habit. Tolerates full sun but does best in filtered light.
