

# Jackson Co Fair Camping

## *2025 Rules and Regulations*

### New this Year

- Fair camping is July 1st thru July 20th. Due to another event at the fairgrounds, you may not move in your camper prior to July 1st. Please don't ask.
- \$550 includes 19 nights of camping, corresponding county bed taxes, and 1 cart pass.
- You are being offered the same spot you had for the 2024 fair. If you take it this year, it will then be yours for subsequent fairs. Spots are limited to one per person. The registered owner must actively camp there and must be over the age of 18 and responsible for the camper, spot, and those camping in it. The owner ensures adult supervision at night.
- There will be NO subleasing of spots. The spot is registered to you and your camper only. If you aren't camping, your spot will be forfeited and sold to the next person on the waiting list.

**FAILURE TO USE YOUR CAMP SPOT, GIVING IT TO SOMEONE ELSE, OR SELLING THE SPOT WILL RESULT IN LOSS OF CAMPING PRIVILEGES FOR BOTH PARTIES. Buying, selling, or trading a camp spot is not permitted. The Camping Director will make the final decision concerning the trade of your camp spot as is permitted within the established rules.**

- 
- Anyone caught subleasing or subletting will be asked to leave the grounds, all money paid will be forfeited, your spots will be turned over to the waiting list, and both the lessor and lessee will be placed at the bottom of the waitlist for the following year.

- Your spot may be reserved and paid in full anytime between January 1st and received or postmarked no later than **May 16th**. All spots unpaid as of May 16th will be offered to those on the waiting list.
- Anyone who did not camp at the fair in 2024 can be placed on the waiting list by contacting Kevin Wilson at 740-710-0315 or Mike Farley at 740-418-8757.
- Cash or check payments can be made in person to Kevin Wilson or Mike Farley at regular Fairboard meetings on the second Tuesday of each month, or can be mailed to Jackson Co Fair, PO Box 382, Wellston OH 45692. **All payments must accompany the signed contract to be binding.** If you do not sign and return a completed contract with your full payment, it will not be considered a valid lease.
- All checks should be made payable to Jackson Co Fair. All checks returned for any reason will be charged a \$35 fee.

## Campers

- Camp spots are measured from sewer drop to sewer drop. Your entire camper, including slide outs, must not surpass the sewer line. It is very important you are in your space. If you are not, you **WILL** be asked to move within the proper space.
- All campers should be back in or pull in setups (no U's)
- All campers should be pulled out no later than 2pm on Sunday, July 20th
- Any camper left after 7/20 (unplugged or plugged in) will be charged \$25/day
- You are responsible for placing your own trash in the dumpsters that are provided. They are located on the left as you drive into the campground. Failure to leave your campsite free of debris will result in loss of camping privileges.
- There is to be no dumping of raw sewage on the fairgrounds during your stay, or when leaving at the end of your stay. Sewer dumps are provided and available. If you need your camper sewer pumped, please inquire at the Sr Fair Board office to be put in contact with our provider. This service will be provided at your own expense.

## Parking

- ONE vehicle and ONE cart per camp spot. Due to limited spacing and safety concerns, this will be enforced. All extra vehicles or visitors may park in the open field near the campground. The license plate numbers of your vehicle and your cart (if applicable) will be recorded with your camping paperwork.

## Carts and Buggies

- ONE cart per camper with cart pass (included with camping)
- Anyone operating your motorized cart must be a LICENSED driver over the age of 16. The Sr Fair Board reserves the right to order carts to be parked and/or to be removed from the grounds if being operated by underage, unlicensed, or irresponsible drivers. YOU are responsible for your cart and those that drive it.
- Carts are not permitted inside the gates. Carts will use the designated cart path from the campground to the parking area set up beside the horse arena.
- You MAY use your cart to take supplies to the barn area **only after gates are closed for the night and after all shows are completed.** (Approximate time is 9pm or 10pm.) All other rules still apply. Carts are never permitted around the track or on the midway...**barn area only!** Get your work done and get your cart moved. If anyone fails to comply with this particular rule, the privilege will be lost for everyone.

## Miscellaneous

No fires are permitted during fair camping (July 11-20)

No bicycles, scooters, skateboards, hoverboards, etc.

Quiet time is midnight to 6am. Please be courteous to your fellow campers.

Profane language, excessive noise, and/or disorderly conduct of any kind will not be tolerated. Any of these is sufficient reason for eviction from camping areas and fairgrounds, without refund of unused fees.

Pets are permitted at your camper only. NO pets are to ever be inside the gates or anywhere near the barn areas! This will be strictly enforced due to the health and safety of fair animals. Your pet must remain in your camp spot unless on a leash with an owner. You must clean up after your animal (feces) and dump it in the trash. Any animal said to be causing disturbances (loud barking, aggressive behavior, etc) will be asked to leave the campground..

The shower house will be open during fair camping. Respect it like you would your own bathroom. Clean up after yourself and keep it neat. In the event it is vandalized, it will be locked and closed for the remainder of the fair. We will not tolerate disrespect of the property. **Advise your campsite visitors that any vandalism to the restrooms or shower house will force closure for the remainder of the week. Please help us take care of the facilities.**

Thank you for your attention to these rules and regulations.

Let's all have a FANTASTIC week at the Jackson Co Fair!
