Tap your sticks to the right with a one, two, three.
Tap your sticks to the left with a one, two, three.
Tap your sticks to the right with a one, two, three.
Tap your sticks to the left with a one, two, three.

Rub your sticks together.
Shake them high above you.
Rub your sticks together.
Pass them both behind you.

Cross your sticks, tap your knees with a one, two, three.
Tap your sticks, and to end with a one, two, three.

Wiggy Wiggles Freeze Dance (Hap Palmer)

When you hear the music, wiggle around. When the music stops, freeze!

I got the wiggy wiggy wiggles
and I can't slow down
The squizzy squizzy squirmies,
got to move around
The busy, busy, buzzies like a buzzing fly
The silly willy nillies and I don't know why
(Freeze)

I got the jiggy jiggy jiggles and I can't sit still
The shiver shiver shakies like a fever chill
The fidgy fidgy fidgets and I'm flippin' out
Golly golly jeepers got to jump about
(Freeze)

And my mommy and my daddy
and my teachers say
"Calm down, cool down, hey, hey, hey!
You drive us crazy crackers
when you act this way
Slow down, slow down, slow down, slow down
I got the wiggy wiggy wiggles
and I can't slow down
The squizzy squizzy squirmies,
got to move around
(Freeze)

The busy, busy, buzzies like a buzzing fly
The silly willy nillies and I don't know why
I got the jiggy jiggy jiggles and I can't sit still
(Freeze)

The shiver shiver shakies like a fever chill
(Freeze)

The fidgy fidgy fidgets and I'm flippin' out
Golly golly jeepers got to,
golly golly jeepers got to
Golly golly jeepers got to jump about
(Freeze)
