

IMMUNISATION DETAILS

We require the following documents from you to process your child's application.

Under the NSW Public Health Act 2010, an approved immunisation form from the Australian Immunisation Register (AIR) must be provided to enrol your child as follows:

1. An Immunisation History Statement showing your child's immunisations are up to date (including if your child has a medical contraindication or natural immunity to some or all vaccines), or;
2. An Immunisation History Form where an immunisation provider has certified vaccines given by another immunisation provider (i.e. vaccines given overseas) and/or organised to commence your child on a catch-up schedule for any overdue vaccines.

Other immunisation records, such as the Interim NSW Vaccination Objection Form, Blue Book, a GP letter or an overseas immunisation record are not acceptable.

AIR Immunisation History Statements are automatically sent to parents/guardians after their child has completed their 4 year old immunisations but parents/guardians can obtain updated statements at any time (up to the child being 14 years or age) by:

- Using their Medicare online account through myGov at <https://my.gov.au/>
- Using the Medicare Express Plus App at www.humanservices.gov.au/individuals/subjects/express-plus-mobile-apps
- Calling the AIR General Enquiries Line on 1800 653 809
