

IMMACULATE CONCEPTION CATHOLIC SCHOOL

On behalf of Fr. Esper, the staff and myself, Merry Christmas to our awesome Immaculate Conception families and community. May your break be full of rest, peace, and happiness.

When we return, we will get back into our basketball season and start Spring Musical practices as well. We will also focus on preparing for our **Open House** which will be held on **Sunday, February 5, 2023 from 11am-2pm**. Not only is this a time to showcase our school's wonderful offerings of rigorous academics, strong catholic identity, talented and dedicated staff, and strong athletics, but also a time to enjoy a great pancake breakfast from the 8th grade students and parents and showcase the wonderful improvements the school has realized through the support and love of the Knights of Columbus, your P.T.C. and Mr. Pordon – head of maintenance.

Immaculate Conception has been growing thanks to you! Our enrollment is steadily increasing, yet some grades still have room for growth. Your school asks that YOU continue to promote what you love about I.C. Spread the word and invite family and friends to the Open House. Remember, for each newer family that registers with I.C. for the 2023-24 school year, you will receive a \$250 credit on your tuition for the 2023-24 school year as well. The more families you have sign up with Immaculate Conception, the more credits you can earn. Our families are the best marketers of the school. Thank you for your help!

We still have some openings for Poker room positions on the 2nd shift (10-1am) Saturday February 25 and Sunday February 26. This is a simple and easy fundraiser for the school. No knowledge of poker needed; just a great avenue to spend a night out with friends from the I.C. community. Please see <https://www.signupgenius.com/go/20f084faeae2ea6fd0-poker2#/> for openings. Thank you in advance.

May gatherings with loved ones this evening, tomorrow and the rest of next week be those of happiness and joy. May traditions new or old bring laughter, warmth, and love. And may the season still bring about the true meaning of Christmas, the love that God gave to us through his son Jesus, the Word made flesh.

May God bless and keep you,

Mr. Lawrence Ricard
principal
