Happy Hallow's Eve, everyone! What an amazing day! We started with Mass in our black & orange theme and

Fr. Esper welcomed the scenery with a great homily about All Hallow's Eve and our mission to become saints ourselves (All Saint's Day Sunday Nov 2). The fifth through 8th grades practiced a great community service today after Mass, The corporal Work of Mercy – *Bury the Dead* – by cleaning up the cemetery and cleaning off headstones. Thank you, K of C Au Lac Knights Mr. Whitenight and Furtaw for presenting the history of the cemetery. The kindergarteners through fourth grade made sympathy card for Fr. Esper to give to those mourning (booking funerals). Thank you to the parents who helped out today with the parties and recess. Thank you to all the individuals who regularly help with recess!

When you think of Halloween today, you probably picture costumes, candy, and pumpkins - but did you know that Halloween began as a very Catholic holiday? Over time, much of its meaning has been stripped away or replaced with pagan and commercial influences. But at its core, Halloween was never meant to glorify darkness, it was meant to prepare hearts for the light of Heaven. As Catholics and especially in Catholic families with children, knowing the real history of Halloween help to reclaim the special time of year and celebrate it faithfully. The word *Halloween* is just a reconstructed version of *Hallows' Eve*. "Hallow" means "holy" or saint and "E'en" is simply short for "evening". So, *Halloween* literally means the Eve of All Saints Day - a vigil before one of the Church's greatest feast days. From the earliest days of Christianity, Catholics honored the martyrs and saints with prayer vigils on this "saints' evening." Candles lit up the night, reminding the faithful that the lives of the saints bring light into a darkened world. All Saints' Day (November 1) and All Souls' Day (November 2) became the anchor of this holy season, turning late October into a time of reflection on heaven, holiness, and the hope of eternal life. There you go! 😊

Next week basketball conditioning starts. If your child has shared their interest in playing on either the boys'/girls' JV teams or girls'/boys' varsity team and have not heard from the coach, please contact the school's office immediately on Monday and we will make sure you are contacted. Coaches have shared with me that they have social media platforms set up for communications on practices, game times (when they are known), etc. Cheerleading notifications will be coming out soon as well. We are excited to start the season and see if we can bring home the gold by season's end! Thank you coaches for your time and energy to come!

Have a safe evening and enjoyable weekend,

Mr. Lawrence Ricard - -Principal

Bury the dead

Funerals give us the opportunity to grieve and show others support during difficult times. Through our prayers and actions during these times we show our respect for life, which is always a gift from God, and comfort to those who mourn.

- Send a card to someone who has recently lost a loved one. Make your own card and use some of these prayers.
- Visit the cemetery and pray for those you have lost.
- Spend time planning your own funeral mass, read through the Order of Christian Funerals and find our hope in the Resurrection.
