## 2021-22 PARENT ALERT system

We are excited to inform you that our school has purchased a new emergency notification and rapid alert system to help improve and facilitate communication with our families. It is called **PARENT ALERT**. **PARENT ALERT** will allow us to send out communications via Text, Email, and Voice Messages for all types of events. These alerts can be used for many reasons but also it will provide us a fast efficient way communicate with our families in case of an emergency. To ensure you are able to receive our alerts please follow the directions below.

Text “START” to 22-383 from your mobile device.

Thank you,

Mr. Ricard
