A review can tell a thousand words..

We hosted our parent's 50th wedding anniversary here it was the perfect venue.

We had a private room with garden access which was great for our guests.

The food was delicious & the serving sizes are generous. The staff were friendly & the service was excellent. Our meals were served in good time especially since there was about 60 of us & everyone had ordered their own meal selection.

Would definitely use this venue again for a function or just for a night out.

Operations Manager, Four Years Strong

Four years at The Shell Club has absolutely flown by. As Operations & Compliance Manager, I oversee all areas of the business, while also managing our advertising, marketing, social media and the newsletters you read each month behind the scenes.

It's been a rewarding journey filled with growth, creativity and plenty of memorable moments. What I enjoy most is the people I work alongside every day and the members who make the club what it is.

Outside of work, I run my candle business, Omiris, and spend time with my partner, Luc, and our two cats, Chinny and Poppy

I'm very grateful for the past four years and excited for what's ahead at The Shell Club.
