If you haven't joined our Sportspick Footy Tipping competition, you're missing out on a great opportunity to win cash this season.

You don't need to be a footy expert to take part. In recent seasons, those making bold guesses have outperformed the so-called professionals. That means anyone can be in with a genuine chance.

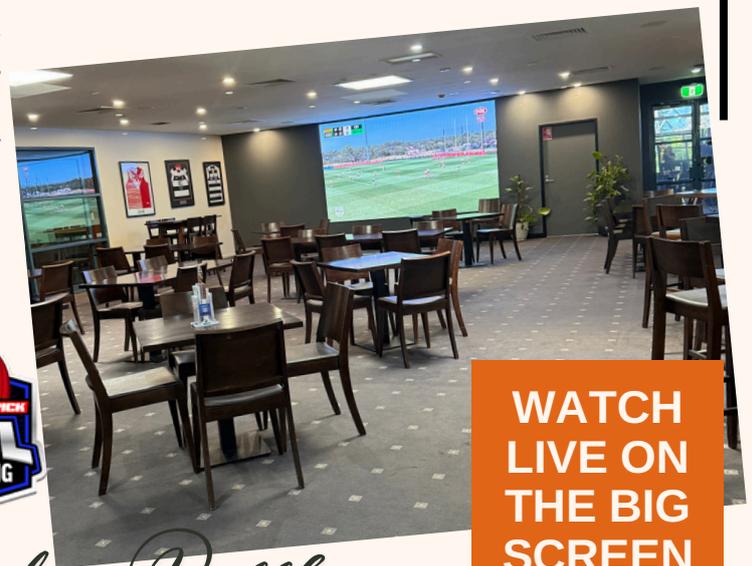

The first game kicks off Thursday 5 March, so now is the time to get your entry in.

Entry is \$25 for the season and includes:

- A free pot of beer each week when you submit your tips
- A \$25 Shell Club Gift Card when you score 9/9

It's competitive, it's fun, and it could pay off.

Register today!

WORK WORK WORK

## Staff Spotlight... Meet Dom

Congratulations to Dom, who has just clocked 5 years at the Shell Club!  
As one of our Supervisors, Dom plays an important role in supporting the team during his night shifts. Dedicated and reliable, he's a consistent presence our staff and members know well.  
When he's not at work, you'll find him enjoying a game of cricket. And while he might seem all business on shift, Dom is a total softie at heart – especially when it comes to cats. He's still on the lookout for his forever furbaby.  
Thank you for your commitment over the past 5 years, Dom – we appreciate everything you do!

COMMUNITY PARTNER

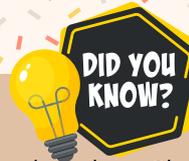

### Geelong Soccer Club

Proudly supporting local sport and community development.

We're proud to support Geelong Soccer Club, a proud Macedonian club with deep roots in our local community.

The club plays an important role in bringing families together, celebrating culture, and creating opportunities for players of all ages to be involved in the game. From juniors just starting out to senior teams representing the club with pride, it's wonderful to see the strong sense of unity and community spirit that surrounds them.

We're honoured to be part of their journey for another year and wish all teams a fantastic season ahead.

For decades, Shell Australia operated the refinery. In 2014, Shell sold its Australian downstream operations (including the refinery and service stations) to Dutch energy trader Vitol, which formed Viva Energy to run them.

Under Viva Energy, the plant continues as one of the only remaining oil refineries in Australia, crucial for supplying a large share of Victoria's fuel and contributing significantly to jobs and local procurement.

### Key Milestone

On 18 March 1954, the Geelong refinery became the first of Australia's post-war refineries to come on stream. Its commissioning sent ripples of excitement throughout the Geelong community and was widely applauded as a major development in strengthening Australia's industrial capacity. More than 1000 people from 14 countries worked on its construction. World-renowned photographer, Helmut Newton, was commissioned by Shell to photograph the project.

## NEW MENU

A brand-new menu is launching March 10, packed with fresh, flavourful and unique options we can't wait for you to try.

There'll be plenty to discover, taste and enjoy including new Parmi night choices!

Classic, American, Mediterranean, Pommy & Butter Chicken - which one will you choose first?
