STAFF SPOTLIGHT - VINAY

Vinay has been part of the Shell Club family since 2018, and his journey has been nothing short of impressive. His dedication, drive to learn, and willingness to push himself saw him step into a Management role just last year - a huge achievement and so well deserved. Quiet and a little shy at first, but once you get Vinay laughing... you'll hear it from the other side of the Club Easily the most unforgettable laugh around! And in the most exciting news of all, Vinay is getting married in just a few weeks.

He'll soon be flying to India to finally be with his bride, and we couldn't be happier for him. Wishing you every success, happiness and love as you start this next chapter!
