A Little Christmas Breather for Our Team
After a busy and successful 2026, our hardworking team has certainly earned a chance to put their feet up! Most of our staff will enjoy a well-deserved break over the festive season, so the bistro will be closed from 25 December to 5 January inclusive, reopening on 6 January.
The rest of the club will remain open throughout this period, except on Christmas Day, when the entire club will be closed so our team can celebrate with their families.

Thank you for being part of such a wonderful year at the Shell Club. We wish you and your loved ones a very Merry Christmas!

Known as the Seagulls, North Shore has been part of Geelong's northern suburbs since 1927. Wearing their familiar blue and gold and calling Windsor Park home, the club has a proud football history, with 17 senior premierships—including an incredible six consecutive flags from 1995 to 2000.

There's plenty to look forward to as the club approaches its centenary in 2027. Alongside this milestone, the Seagulls are preparing to welcome back A-grade and junior netball, building on the work undertaken to grow their netball program in recent years.

Behind every community club are dedicated players, coaches, volunteers and supporters. We're delighted to play a part in supporting their efforts and look forward to cheering on the Seagulls as they enter this exciting next chapter.

Go Seagulls!

Join us on Tuesday 24th November at 2pm for a catch-up filled with camaraderie, a few shenanigans and some ice-cold beers! Light refreshments will also be provided. We'll be gathering in The Nook inside the Shell Club, as the Pecten Centre will be hosting other functions. Come along, share a laugh and catch up with familiar faces. We look forward to seeing you!
