Shell Retirees

This is a friendly reminder that the Shell Retirees' annual gathering will take place on Wednesday, November 26th, at 2:00 PM.

Please register your attendance with reception during business hours by calling 5275 4061.

Each year, as we embark on this nostalgic journey, it has been wonderful to see so many familiar faces returning. We eagerly anticipate the camaraderie of the 2025 gathering!

Winners are grinners

The Shell Club's 2025 Footy Tipping competition was a remarkable event, attracting a total of 100 participants, all vying for the grand prize of \$5,000 in cash. We extend our heartfelt congratulations to Margie Shiells, the sole winner of this prestigious award!

The second prize was shared equally with Chris Karaglanis, Neil Robinson and Paul Tol, each receiving \$833. Unfortunately, there were no third or fourth prize winners this year, as the equal distribution of the second prize precluded additional awards.

This September, we are excited to offer a selection of exclusive Carlton Draught merchandise. To participate, simply purchase two or more schooners or a jug to receive an instant scratch card. Eligible products include Carlton Draught, Carlton Dry, and Carlton Dry 3.5%. Every scratch card guarantees an instant prize, with exciting items such as mini pub lights, bottle opener magnets, and stickers available to win. Promo starts 8/9/25 and ends 6/10/25 or unless sold out.
