

Christmas is Here!

It is a busy time of year! Here is a "snapshot" of our church life.

The mitten tree is for hats and mittens to go into the holiday boxes of Manitoulin Family Resources. Please donate before the 7th if you wish to participate.

"Reverse Advent" devotionals are available. These items or funds will be donated after Christmas when the community pantry is wiped out after the holidays.

Whether you do a little, or a lot; whether your Christmas is quiet or loud – God is with you and chosen to meet you right where you are. Blessed Christmas!
