

YOUR GENEROSITY MATTERS - Nov 30, 2025 - M4M
The CSRC Right Relations Resource Team's 2025 Indigenous Businesses List

The Canadian Shield Regional Council's Right Relations Team would like to share the following list of businesses and organizations that are Indigenous owned and operated or directly support Indigenous peoples. We hope that this resource will be helpful to you during the Christmas season and beyond. There are many more businesses that we did not list here – in particular, local Indigenous businesses that do not have an online presence. By supporting these businesses, you are helping to create a sustainable, prosperous economy for Indigenous peoples. Economic Reconciliation is about bringing Indigenous voices, perspectives, ideas and people into spaces where they have been underrepresented previously.
