

**Your Generosity Matters - Nov. 16, 2025 - for LCUCPC
Local Generosity - Being There When We Are Needed.**

Donations to this church have enabled us to be a place of welcome for all people.

Your donations literally brought a crowd in from the rain last month when rain threatened the Witch's Walk. This Walk was to raise money for the Resource pantry -- as many organizations work together with the pantry to provide for all.

Because you are keeping the roof over our heads, and the heat on, you helped home a huge group of adults and youth dressed as witches, laughing, having fun, and collecting resources for all.

Without you, and your generosity, the Walk would have either been left in the rain or had to rent a facility. They used our space for free because part of our ministry in this area is giving a roof over the heads of people gathering to do good work.

Therefore, the money that would have been on a rental went to the resource pantry too. Thank you for making a huge difference in this town by supporting this church.

Always a project to support, besides the daily expenses, to keep the church open for the community. Thank you for your special donations as well as your regular weekly donations.

Without your generosity we could not keep the church such a welcoming place.

Blessings to all.
