

**Your Generosity Matters – Nov. 23, 2025 – for LCUCPC**  
**Your Generosity Matters – Locally - 2**

This last Tuesday, you helped feed people from Aundeck Omni Kaning to Zhiibaahaasing.

Your generosity provides the space for the Good Food Box to operate. This nonprofit began with a government grant to provide First Nations with affordable fresh fruits and vegetables. Once the grant ran out, the need did not.

The program now is supported by volunteers, donors, and people who buy into the program. It also is open to all who would like to use collective power to purchase potatoes, onions, tomatoes, oranges and more at bulk prices.

Your donations to this church give the Good Food Box space to provide fresh produce to communities across Manitoulin.

If you would like to join the program, please pick up a brochure on your way out at either door.

Thank you for helping good food arrive on every table.
