

Gledhow Primary School

Geography overview

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
EYFS- Statutory Educational Programme: Understanding the world. Children are guided to make sense of their physical world and community through a range of personal experiences. The range and frequency of children's personal experiences increases their knowledge and sense of the world around them. Children's geography curriculum is taught through discussion and play, active learning and challenge and asking questions and being a critical thinker.	<p>Nursery- What are my favourites?
