

## First Aid Form

According to recent state regulations, we, as childcare providers, are required to have every child's guardian consent for any and all first aid treatments given to their child/ren. This includes MINOR treatments such as applying an antibiotic ointment or a Band-Aid to a child with an injury. We would also like an update on every child's allergies.

Here at the Latchkey Alternative Center, the children are our first concern and if an injury should occur, we want to provide the best care for the child's health.

---

### Consent for First Aid Treatment

As the legal guardian of the following child/ren:

---

---

I consent to the following general first aid procedures:

The following medications may be used for minor cuts, scrapes, insect bites, etc. on my child (as deemed appropriate by staff):

<input type="checkbox"/> yes	<input type="checkbox"/> no	Medicated First Aid Spray
<input type="checkbox"/> yes	<input type="checkbox"/> no	Hydrogen Peroxide
<input type="checkbox"/> yes	<input type="checkbox"/> no	Triple Antibiotic Ointment
<input type="checkbox"/> yes	<input type="checkbox"/> no	Benadryl Cream (or equivalent)

I also understand that the Latchkey Alternative Center staff are not responsible for any reactions that might occur from the usage of the first aid ointments.
