

Making A DIFFERENCE

Civic-minded individual or companies, large or small, can help the Do Good Student Support Group continue to “*Help America’s Future, One Student at a Time.*”

The simplest way to support the organization is to sponsor a hole at the annual golf outing. For a contribution starting at \$100, a sign promotes you or your company, builds goodwill and helps us add to our scholarship fund for next year!

Want to become a bigger supporter? A company, group or individual can become a donor at any of the following levels: (All donations are 100% Tax Deductible)

| | |
|---------------------|----------------|
| Platinum | \$2,000 |
| Diamond | \$1,000 |
| Gold | \$500 |
| Silver | \$250 |
| Hole Sponsor | \$100 |

Our HISTORY

Established in October of 2000, The Do Good Student Support Group, Inc. began as a social club of about seven members. The members referred to the rented studio apartment as "the Doghouse," and used it to watch ballgames, play cards, and just enjoy each other's company.

As membership grew, the focus of the club shifted. At one of the monthly meetings it was suggested that the club conduct a Beefsteak Dinner Fundraiser for a local student in need. *The rest is history.*

Today the Do Good Students Support Group, boasts over 160 executive members. For the last 25 years the Do Good House has awarded over \$899,000 in scholarships to deserving students throughout the state. It proudly has been honored by the NJ State Congress for their humanitarian efforts and has been featured in local newspapers.

The civic group conducts several fundraisers throughout the year, however, it is the Annual Golf Outing which remains the flagship event fueling our scholarship fund.

The Do Good House could not raise the funds without the support from our membership, community, vendors and businesses.

Thank you to the members and volunteers for their hard work in allowing the Do Good House to "help America's future..."
