

WELCOME TO

Who are we?

Teens on the Teche is a youth group serving the Catholic communities of Arnaudville, Cecilia, Grand Coteau, and Leonville. Our mission branches from our parish mission: to know, love, and serve God. To love ourselves and our neighbors. To understand and begin to decipher God's purpose for us. To become true disciples of Christ. To evangelize, making other disciples of Christ.

Our Purpose:

- To serve and provide for the spiritual needs of high school aged teens in our parish and community.
- To provide those teens already confirmed an avenue for continued spiritual growth.
- To help teens encounter Christ and to foster and nurture their relationship with Him.

When/Where?

- We meet every other Sunday evening at 5:00pm.
- Our home base is St. Catherine's Rectory: 242 Pine St. Arnaudville.
- Thanks to the generous donations from our parish, the rectory is fully furnished with recliners, bean bag chairs, a television, foosball table, ping-pong table, and air hockey table.

Cost?

Financially, we run off of funds raised from various fundraisers planned by our core team and from very GENEROUS donations provided by private donors and organizations within our community.

What do we do?

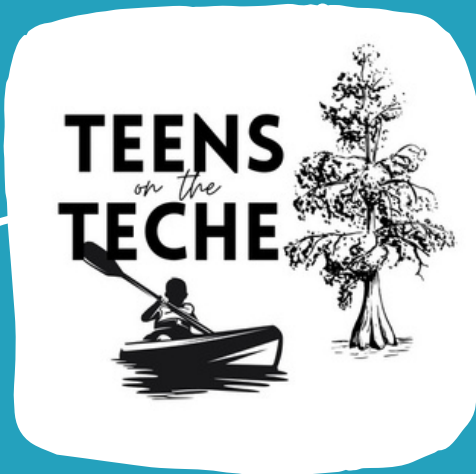

Activities planned focus on four main categories: Adoration, Community, Theology, and Service.

- Adoration emphasizes the importance of the Liturgy of the Eucharist, adoring the Real Presence, and other devotions such as praying the rosary or the Stations of the Cross.
- Community focuses on creating friendships, centered in Christ, through various games and fun activities. We also attend Steubenville South Youth Conference annually.
- Theology lessons usually center around gospel reflections, growing our prayer life, learning how to practice the virtues, and studying the lives of the saints.
- Service days focus on corporal works of mercy planning food drives, and cleaning the Arnaudville Community Fridge/Pantry.

Who runs it?

Fr. Reed Bellingham oversees Teens on the Teche and provides pastoral care. The Coordinator is Dena Robin. Core Team members include: John Dupre, Kassi Dupre, Sheila Gresko, and Jonathan Robin. ALL core team members are strictly volunteers and have valid/up to date safe environment training.
