2817 Corpus Christi Drive  
South Bend, IN 46628

My husband and I both attended small Catholic grade schools, so choosing a Catholic education was very important for our family. After touring several schools, Corpus Christi stood out as the most welcoming and felt like the perfect fit. The staff has been kind and supportive, the class sizes feel just right, and the sense of community has made it easy to connect with other families. Our son loves his teachers and has made great friendships, and even our three-year-old can't wait to "go to bro bro's school." Choosing Corpus Christi has truly been a blessing for our family.

Corpus Christi is a school where my children have truly thrived over the past ten years. The small class sizes have allowed them to receive the individualized attention they need, helping them build confidence and feel supported both academically and personally. The teachers and staff have created a nurturing, faith-filled environment where my children feel valued, encouraged, and safe. The strong sense of community and commitment to faith-based education has made a lasting impact on our family. My high schooler is now succeeding because of the strong educational and spiritual foundation he received while attending Corpus Christi. We are incredibly grateful for the role this school has played in shaping our children's growth and character.
