

Jack & Jill Preschool October 2025

What a great beginning we have had! Classroom schedules and activities are well under way and the children are happy and have adjusted nicely to the routine of school. Responses of "I Can't Do It" are turning into "I Did It!".

Along with the children's accomplishments, parents/guardians have been wonderful also. The staff is so grateful for all the support and willingness to take an active role in helping make Jack and Jill a terrific place to be!
