Tips for More Successful Sewing

- Interfacing is an addition that **REALLY** makes a difference
- **Pressing brings perfection to your projects**
- Use proper pins *and* needles too
- Make your mark . . . picking the best marker for the fabric and the task
- **Put your best foot forward - various presser feet fix many issues**

Pressing:

Must have tools in my sewing space include **a professional steam iron**, a spray bottle with water, Mary Ellen's Best Press, Downy Wrinkle Releaser, and a "tailor's clapper." [CLICK HERE](#) to read a post on pressing.
