

Organizational - Membership Application

Thank you for your interest in becoming a Michigan Guardianship Association member. Membership with MGA provides many opportunities to gain expertise about contemporary issues facing guardians and conservators.

An MGA membership year begins January 1st and ends December 31st. One full year of annual dues is required upon joining MGA. Dues from the second year will be prorated based on the anniversary date of original enrollment in MGA. Second year dues are prorated for new members only, not for renewals.

Organizational memberships are recorded in the name of one contact person and are transferrable within your organization. All newsletters for the organization will be sent to the contact person and a single organizational membership certificate will be issued. Organizational memberships tend to work best for larger organizations where maximum flexibility is desirable. Each organizational membership is entitled to one ballot for all MGA elections.
