## ABOUT THE FOUNDERS LUNCHEON

The Founders Luncheon is the Community Foundation's signature annual gathering — **a celebration of generosity and leadership that brings together our region's most influential philanthropists, nonprofit partners, and civic leaders.**

This is more than a luncheon — it's a catalyst for collective action and a celebration of what's possible when we work together for the good of our community.

2026 THEME: "HOPE FOR HUNGER"

The 13th Annual Founders Luncheon will highlight the bold partnerships tackling one of our region's most pressing issues — food security.

Together with our donors, nonprofit partners, and community leaders, we'll celebrate the innovative efforts ensuring reliable access to healthy, affordable food for residents of all ages across Palm Beach and Martin Counties.
