Certificate of Portable Appliance Testing

Ghost Retro Arcade
9 Sandy Close
Whitwell
Worksop
S80 4PY

This certificate was supplied by 1Call Electrics to certify that:
Portable appliance safety testing was carried out **only** on the enclosed list of items on the
report sheet, only where accessibility is available to test the appliance.

Health & Safety at work act 1974
Electricity at work regulations 1989
The IET Code of Practice

Certificate issued: March 2026

Recommended retest by: end March 2027

*(The IET 5th amendment states the retest period is the responsibility of the duty holder or person(s)
responsible for ensuring your electrical equipment is regularly inspected and deemed safe for
continued use according to the type of environment and conditions it is used)*

Testing carried out by:

M. Walvin
Qualified Test Engineer
To City & Guilds 2377 Inspection & Testing of Electrical Equipment
