ITEMIZED SERVICES & MERCHANDISE

The following charges may apply depending on the arrangements selected. Package inclusions and exclusions are shown on page 1.

Professional Services

Basic Services of Funeral Director and Staff and Overhead

\$1,250

Basic service includes, but is not limited to, consultation with family and clergy; arrangement and direction of funeral services; body preparation; filing certificates, authorizations, consents and permits; recording vital statistics; and notices. It also includes coordination with law enforcement, doctors, coroners, medical examiners, hospitals, cemeteries and others. A portion of overhead expenses for 24-hour call service, insurance, maintenance, utilities, equipment, inventory, secretarial and administrative support is reflected in service costs.

This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)

Embalming

\$720

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.

Wyoming law requires embalming or refrigeration if the body is not buried or cremated within 36 hours, or if the cause of death is a communicable disease.
