

JACKSONVILLE'S OLDEST DIRECT CREMATION SERVICE
ESTABLISHED 1993

General Price List

These prices are effective as of **October 1, 2026**. They are subject to change without notice. The goods and services listed are those we can provide to our families. You may choose only the items you desire. However, any arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Services of the Direct Disposer and Staff: 500.00

This fee for our basic services and overhead will be added to the total cost of the arrangements you select and is included in our charge for a direct cremation. It includes:

Personnel available 24 hours a day/ 365 days a year to respond to the initial call

Arrangement conference

Clerical assistance in the completion of various forms associated with a direct cremation

Securing and recording the burial transit permit

Securing the death certificate with the doctor's office or county medical examiner

Recording the death certificate with the county health department

Overhead such as facilities maintenance, equipment and inventory costs, insurance, administration expenses and governmental compliance.

Refrigeration of the Body: 95.00

Embalming is not required by Florida State Law and is not included in a direct cremation. Additional refrigeration charges of \$50 per day will be incurred for extended sheltering of remains for each day after we receive cremation authorization from the Medical Examiner.

Transportation 225.00

Removal of the deceased from the place of death within 35 miles.

Additional transportation charge of \$4.00 per mile beyond initial 35 miles.

Alternative Cremation Container: (we do not charge for this container) N/C

The State of Florida requires a cremation container which encases the body.

Our containers are made of fiberboard or composition material.

(If decedent is over 250 lbs, there will be a \$195 charge for an oversized wooden cremation tray)

Containers which meet the applicable state and/or crematory requirements can be supplied by the consumer.
