

Website Plans — Essential Information Summary

Every Social Space website is custom-built to generate leads, get found in local search and turn visitors into customers. This summary explains our three website plans in plain terms — what's included, who each one suits, and the key policies that apply. Pricing shown does not reflect any discounts or promotions that may apply from time to time.

Monthly billing, or pay annually and save 10%. All prices include GST.

SET-UP ONLY \$199 Starter AI Website Professionally built web design	BUILT FROM \$549 Core Website Custom website design	FREE WEBSITE BUILD #1 PLAN Local Essentials Managed AI website + local SEO
\$39/mo or \$421/yr (10% off)	\$59/mo or \$637/yr (10% off)	\$249/mo or \$2,689/yr (10% off)
✓ Guided AI-assisted website design ✓ Mobile-responsive design layout ✓ Essential technical SEO set-up ✓ 1 free domain name ✓ Secure SSL certificate ✓ Contact form & click-to-call links ✓ Website hosting <i>No backend systems, logins, dashboards or custom functionality.</i> Ideal for: • Small businesses just getting started • Sole traders wanting a simple online presence • Dated websites in need of a refresh	✓ Custom website design ✓ 1 to 20 page website build ✓ Easy-to-use website editor ✓ SSL secure certificate ✓ Fast cloud hosting on AWS ✓ Mobile-responsive design ✓ Automatic backups & updates ✓ Basic website SEO set-up ✓ Blog layout and set-up ✓ Traffic dashboard & reporting Ideal for: • New business websites, or refreshing an existing site • Migrating from another website platform • Local businesses relying on content & SEO • Lead-gen sites & design-led brands	✓ AI-assisted site built around your services ✓ Mobile-responsive, hosting & SSL ✓ Clear calls to action & enquiry form ✓ Local keyword research & on-page SEO ✓ Google Business Profile optimisation ✓ Ongoing local content & SEO updates ✓ Monthly website & search review <i>A managed website — no CMS login. Send us your changes and our team handles them.</i> Ideal for: • Local service businesses wanting a website and ongoing SEO in one monthly package • Owners who'd rather not manage their own site

The \$39 and \$59 plans include initial SEO set-up; the \$249 plan includes ongoing monthly SEO work. SEO results vary by market and cannot be guaranteed.

How It Works

STEP 1 Initial consultation to understand your business needs	STEP 2 We collect your logo, images and the services you provide or want to target	STEP 3 Website built and optimised for performance	STEP 4 Client approval and website launch
---	--	--	---

Typical timeline: 24–48 hours for Starter AI Website; 1–2 weeks for Core Website and Local Essentials builds.

Website Editor Access

The Core plan includes full access to our intuitive website editor — no technical knowledge required.

- Make text/image changes, add pages, update your site yourself
- View basic website analytics and performance
- Access your website administration from any device

Local Essentials is fully managed by our team.

Good to Know

Billing

Month-to-month, no lock-in. Invoiced 1st of the month, 10% GST included; first bill may be pro-rata.

Getting live

90 days after project start to launch, or billing begins automatically.

Cancelling

30 days' notice to cancel. Plans can't be paused; may be suspended after 3 months unpaid.

Payment

Credit card, debit card or direct transfer.

Fees & Changes

- Once-off design fee is non-refundable once your build starts
- Included domain/s must be new through us — transferring an existing domain incurs a \$50 fee
- Transfers from Duda incur a \$350 fee; some custom elements may not migrate perfectly
- Small revisions cover simple requests, not new pages; extra work may incur one-time fees
