O'Callaghan Cup

by Casey Simpson

It doesn't do it justice to just call it a game
Because no other game could be quite the same.
To those young soldiers they are marching to their
battlefield,
And till the very end no fate will be sealed.
It's a war where the outcome is not just a score
But a moment in history that leaves others in awe.
The air is electric, the emotion is raw
As the last hooters sound the crowd cheers for more.

It's the passion and romance of laced boots and leather,
The ability to read a play, to be humble of mistakes to weather.
Of the honour they feel when they put on that jersey,
Then the realisation this means they are worthy,
For this game can't be played with half a heart,
It's a case of 'your all' or don't even start.
When they run through that tunnel the feeling is clear
The yells, the screams, it's their name they can hear!

They know from that moment what's ahead will be rough
But to them they know it's the ultimate rush.
Guided by their captain, urged on by the crowd.
It's tackle-by-tackle, round after round.
The pressure of a kick that could even the score
Or if you'd run that ball further, pushed a little bit more?
Forgetting their injuries, focusing on their role,
To play to the end their number one goal
What's injured is not just their bones, and their hide
But for the warriors that are defeated it's a piece of
their pride.
It's 70 minutes of blood, sweat and tears,
To not hold that cup is in all of their fears.

Their bodies may ache as they're laid on the line
But it doesn't compare to their hunger inside.
It's the jump in every line out, the drive in every scrum
In wait for the perfect opportunity, the break they hope
will come,
It's the plays they've learned and practices and now
it's time
Just waiting for that moment to get over the line.

It's the thirst for glory, the strength of your mate,
The anxiety they feel as they lay in wait.
Their muscles twitching, their stomachs churning,
To prove themselves the ultimate yearning.
For it's this moment they've waited and now time
has stopped
It's the never-ending struggle to get to the top.
Four years some have waited and looked on in admiration
Hoping and training to be called on and chosen.
For these 30 kids they've worked hard through the ranks,
Because to play in this game they only consider the best.
They've had their time of sitting, watching and wishing,
And it's this moment right now that their families aren't
missing.
For they've been through it with them, the ups and the
downs
The tours, the training, the wins and losses, round after
round.

And like their comrades before them, they will give their all,
Though vicious to win, respect for their opponent the
unspoken law,
As onlookers we watch these boys who never fault nor
give up,
Because in their lives nothing will compare to claiming
the "O'Callaghan Cup".

PREP - YEAR 12 | COEDUCATIONAL | INDEPENDENT | CATHOLIC | DAY AND BOARDING SCHOOL

Principal's Welcome

It is my pleasure to welcome the school communities of The Glennie School, Toowoomba Grammar School and Downlands College to our annual fixture.

Downlands College and Toowoomba Grammar School share a proud tradition of healthy rivalry on the rugby field. Today I am sure we will witness a wonderful display of all the best elements of sportsmanship. We hope you enjoy the game, our hospitality and feel welcomed.

Thank you to the members of the Downlands family who have worked so hard to ensure the day is a successful one and the College staff who have prepared the facilities, ensured the provision of refreshments and much more – thank you sincerely for your efforts.

Once again, welcome to Downlands, and enjoy the day.

Mr Stephen Koch, *Downlands College Principal*

Downlands College Leader - Sport

I'd like to extend a warm welcome to Toowoomba Grammar School and The Glennie School communities to the annual O'Callaghan Cup and Selena Worsley Cup round at Downlands College. I hope all players, staff, parents, and past students enjoy the good-spirited competition and the experience of our home day.

At Downlands College, our Sport program strives to provide a lifelong learning environment for all students. Through Sport, our hope is for students to develop a deep love and understanding for the sport, and to enjoy the mateship and relationship building that comes from participation. We also want our students to embrace the ups and downs of sport, to demonstrate humility in their successes and resilience in their disappointments.

Downlands College Rugby seeks to challenge each student to develop their skills, fitness, decision-making and ability to work within a team. It is the responsibility of our captains to lead on and off the field and being conscious that their example is being followed by our future leaders.

Downlands College - Director of Rugby

When the O'Callaghan Cup started in 1950, who knew that 72 years later it would be a tradition that is still going strong? We're welcoming the event back to Downlands after a four-year absence, and we're ready to hear Downlands roar in victory! This is more than a rugby game, as it's a moment where our community, past Downlanders and old friends reconnect.

At the College, we always hope that each student finds something that will bring them together, build relationships and put values into action. For some students, this will be academia, drama, art, agriculture or another sport. But, for many, it's the game of rugby.

And with rugby and specifically the O'Callaghan Cup, there is the opportunity to engage the wider community in a feeling of connection to our identity. The relationships you build throughout the sport, going through the good and the tough times, will create bonds that last a lifetime between students.

It's important for each student to take a moment to look around today. Missionaries of the Sacred Heart (MSC) values will be seen in action everywhere. You'll see relationships between all ages, love for the College, kindness in helping each other through the day, respect and striving for excellence in every game.

Each student who has committed to the season, sacrificed time and put in a huge amount of effort to prepare for the rugby season, deserves to reap the rewards. On behalf of Downlands and the

Thank you to our College Executive Team for their support of Sport this year and a big congratulations to our Rugby Director, Mr Garrick Morgan, and our Rugby Master In Charge (MIC), Mr Elias Power on their tireless efforts on behalf of all players and coaches.

The Downlands Rugby season has had a terrific start, with a participation increase from 2021, more fixtures and opportunities for our students to travel. This season, we have also welcomed a number of new and experienced coaches to the program, as well as young and passionate past students back to the program.

To the members of the Downlands College Community, our VIP guests, parents, coaches, staff and most importantly our students, thank you for the energy with which you participate. I hope you enjoy a great day of Rugby. Remember to play hard, represent your school with pride, and support each other, on and off the field.

Mr Jorden Smith, *College Leader - Sport*

team, I want each player to know that we are proud of everyone, and recognise the hard work and dedication that has led up until this moment.

For the students who aren't playing today, get behind your friends, celebrate the wins, lift them with your energy, have fun and show people who we are as Downlanders. Let's hear that war cry!

For those of you pulling on a jersey remember those who've gone before, from Tim Horan to Mac Grealy, Selena Worsley to Chloe Cocks, and wear it with pride and know they would not stop playing until the last whistle blew. Heads up, walk tall and rise to the challenge of the day. Don't doubt it, we do want to win. To be the best we can be. To be Downlanders.

Mr Garrick Morgan, *Director of Rugby*

PRAYER BEFORE A GAME

*As we prepare to compete, we dedicate this game to you, O God.
Help us to play as well as we can, and to observe the rules and the spirit of the game.*

*Help us to have a genuine spirit of team-play, making the game an enjoyment for all.
I hope to strengthen my will by its discipline; I hope to strengthen my character
by learning unselfishness, team spirit and determination.*

May it turn out that I give my best, and that all will be pleased with my performance.

Amen.
