Sidewalk repairs – Steve contacted Ryan Schares, it will be another 2 weeks before Cody Funk has the plans ready for us to review. Might have a special meeting to review when ready.

Pews – will send in proxy and once we have that we can request the work to be done. Will have to discuss with St. Joseph regarding moving daily Mass there while the refurbishing is being worked on.

Bus Barn/Fire Station – Fire station was bought. There could be a possibility of the school renting a portion of it to store the smaller vehicles.
