President Report: Tom Noennig

- Cement slab at the boat landing: The DNR took measurements of the existing slab. Tom Noennig asked for their recommendation, but no response was provided.
- DNR has provided two loads of gravel to be used at boat landing. Troy Weik spread out gravel with his tractor.
- Parker Weik is currently water testing the Spirit Lakes. He has reached out to the DNR for additional supplies needed to complete full testing.

New Business:

Kids Fishing Contest: Trent Weik and Tim Strebis

- Donations are coming in! We have the same sponsors as last year.

- T-shirts, backpacks, rod+reel will be given to all kids who register to fish.
- Volunteers will receive t-shirts.
- Sign-up genie has been created. Just need to send it!

Ice Fishing Contest Suggestion: Food drive – each can donation to receive a free ticket for each item donated. Ticket will win separate raffle item.

Website suggestions:

- Add: fish size limits for each of the lakes.
- Add: thank you section.

Rib Lake Fish and Game Concessions for Ice Age Days on Sunday – A volunteer sign-up genie will be created for Spirit Lakes.

Event money collection: Parker Weik will recommend process that needs to be followed.
