

**Christmas Blessings from the congregations of Arden United Church,
Henderson United Church, and Mountain Grove United Church.**

Hello Neighbours:

Merry Christmas! My name is Kaitlyn Ostrander and I am the minister with Arden Pastoral Charge. It has been such a privilege to grow in the community with many of you this past year. I hope that this Christmas season brings you Peace, Love, Joy, and Hope. We have a few events happening throughout this season, I hope to see and meet a few more people during those times of gathering. Our world has changed in so many ways, know that we are always available if there is anything needed during these new times of care.

We are excited to announce that we will be worshipping in person this Christmas Eve at each church within the Pastoral Charge. We also invite you to drive past our churches throughout the season to

see our “On the Road to Bethlehem” decorations!

There are many ways that you can join us, through online worship by visiting our YouTube, In-person, or through various other events hosted by these congregations. If you wish to support the churches at this time of year, there is more than one way of doing so; donations can be mailed to the church or you can give online through Canada Helps (<https://www.canadahelps.org/en/charities/arden-mountain-grove-pastoral-charge/>) If you have any questions or want to chat about anything please reach out to me at minister@ardenpastoralcharge.ca or by calling the church at 613-335-2474. Merry Christmas!
