*Get to Know Local Businesses: Q & A Interview*

---

**What does your business do?**

We provide insurance services for home/renters, autos/motorcycles, watercraft & recreational vehicles as well as life & commercial properties.

**What inspired you to start your business?**

Having been in this business prior to becoming a Financial Advisor for 20 plus years, when this opportunity came along I felt that I would be able to use my experience from the financial industry along with my previous insurance & sales experience to help individuals and business owners navigate and cover any risk they may have. I was also pleased to be able to stay local to be near family & friends in our beautiful city.

**Who is your ideal customer?**

ALL of our customers are ideal. There are no two alike & because of that, each service is unique to each policyholder.

**What's your biggest business win or proudest moment so far?**

Winning for us means being able to make sure our clients are serviced quickly especially after claims have been filed for accidents & storms. Winning also means that our clients trust us with their business & for that we are grateful.

**Are there any upcoming events, specials, or promotions you would like us to highlight?**

Quotes are always FREE so we look forward to hearing from anyone who may need our services.

**What makes your business unique or different from others in your industry?**

We are a small local business, and we're proud to be a part of this community. We try to be available to service our clients based on their individual needs & take pride in taking the time to realize what those needs are.

**How has Bridge Property Management Group helped you grow and accomplish your business goals?**

We are happy to be in a lovely location that is convenient to our community & also appreciate that Laura & Amy are always available with a smile (even by phone) to assist us with any needs that we may have.

Thank you to **Thornton Farmers Agency, LLC** for all you do in our community. We're proud to have you as part of our business family.

At Bridge Real Estate Group we love hearing about the thriving aspects of our commercial tenants!

It's a privilege to support businesses that are making a meaningful impact in our community. Watching these entrepreneurs innovate, serve, and succeed is exactly why we do what we do. Our local businesses are the heartbeat of our community, and we're honored to play a small part in their journey. Check out more tenant spotlights in our newsletter!
